GERDA is the result of a successful outcross using the International phenomenon SHANGHAI EA on a selected group of Michalow-mares. Shanghai EA is without a doubt the most decorated son of the Champion maker WH JUSTICE and his beautiful dam SALYMAH is a daughter of World and European Champion Stallion KHIDAR. Salymah's dam strongly represents the cherished bloodlines of Om El Arab but traces down in tail-female line to the Polish mare BIRUTA, belonging to the Sahara db. damline. Shanghai EA's own achievement in the showring includes European Junior and Senior Champion, All Nations Cup Gold Junior Champion and Silver Senior Champion, Menton Silver Senior Champion and Dubai Gold Senior Champion Stallion.

Shanghai EA has proven himself as a sire with Triple Crown winner and the Dubai Gold Champion Stallion Excalibur EA and Michalow-bred GALERIDA Bialka Spring Show Yearling Gold Champion Mare. Gerda is closely related to Galerida as both belong to the treasured Gilza-family. Gerda traces down to the Polish National Champion Mare Grenlandia, known as one of the most beautiful daughters of legendary Eukaliptus. With a pedigree filled with beauty and charisma, Gerda also has a strong pedigree when it comes to performance and racing. Her dam GOLTERIA is the full-sister to Scandinavian Open and Swedish National Liberty Champion GARUDA and maternal sister to the great show-jumping mare GARDEJA.

Gerda is a young, promising mare with the promise of own achievements and to breed on carrying on the tradition of great G-horses and she will not disappoint.

Beauty knows no borders - ETIRA is a champion mare from a show in Russia, sired by a champion from America (EDEN C) and out of a reigning European champion broodmare (ETNOLOGIA).

EDEN C is a US National Junior Champion & Arabian Breeders World Cup Gold Supreme Senior Champion from Las Vegas. He crossed very well with our damlines and many of his 30 foals in Poland, exhibited show quality. The best include Junior Spring Show Top Five Champion, Autumn Show Junior Champion & Polish National Senior Top Five Stallion AMANITO, Autumn Show Junior Reserve Champion & Autumn Show Junior Bronze Champion Mare BERENIKA, Junior Spring Show Bronze Champion, Scandinavian Open Junior Champion & Best in Show, Polish National Junior Champion, All Nations Cup Junior Reserve Champion & European Senior Gold Champion Mare PRIMERA, Polish National Senior Champion & Best in Show PINIATA, Junior Spring Show Top Five Mare ATANDA, Junior Spring Show Yearling Silver Champion & Polish National Junior Silver Champion Mare PATERNA and Polish National Junior Silver Champion & Al Khalediah European Arabian Horse Festival Junior Bronze Champion Mare PATRIA. ETIRA fits right in with her paternal siblings, as she can boast class top fives from the shows in Białka and Prague, as well as the title of International Cup Senior Gold Champion Mare from St. Petersburg.

ETIRA's dam, ETNOLOGIA, a porcelain beauty, can boast even more in terms of show accolades. She is a Junior Spring Show Champion & Best in Show from Białka, an All Nations Cup Senior Top Five, a Polish National Senior Top Five, an International Wels Senior Top Five, a European Senior Bronze Champion, a three-time World Senior Top Ten, a Tulip Cup Senior Gold Champion, an All Nations Cup Senior Silver Champion and finally a European Senior Gold Champion Mare from 2016. Several of the latter titles were claimed for ETNOLOGIA's new owners Halsdon Arabians, who secured her at the 2012 Pride of Poland Sale for 370 thousand euro.

ETIRA & ETNOLOGIA trace back to one of Director Krzyształowicz's favorite charges, the legendary broodmatron ETNA, who contributed to the breed with four champion chief sires ETAN, ETIW, ETERNIT & ETAP and superbly producing daughters, the legendary WAHO Trophy recipient ETRURIA and EQUITANA. ETRURIA, the first Polish horse chosen to compete in the Salon de Cheval in Paris where she won the title of Junior Champion Mare and later went on to claim World Senior Champion, Polish National Senior Champion & European Senior Reserve Champion Mare, is also the progenitor of several champion chief sires: ETOGRAM, ECAHO, ESPADERO, ESCULAP & EQUIFOR, continuing the tradition of her dam.

BREEDING STATUS:

The daughters of Ekstern have become collectors items and Psyche Victoria is a perfect example of one of his best daughters with an impressive show career and three beautiful sons including the breeding stallions PSYCHE KERET and PSYCHE ULL, both well known in the international show world with great result just like their successful dam. Psyche Keret is himself an Erlan Cup Gold Champion, Chantilly Breeders Gold Champion, Warsaw Championships Gold Champion and Al Khalediah European Horse Festival Bronze Champion Stallion. His first offspring were shown last year gaining success with Warsaw Championships Gold Yearling Champion GAJA RAMZES and Junior Spring Show class winner ECHO KASJOPEJA. Psyche Ull has been named Warsaw Championships Silver Champion, Al Khalediah European Horse Festival Silver Champion and AHO Breeders' Championship Europe Bronze Champion Stallion.

Psyche Victoria and her full sister PSYCHE KREUZA are the pride of Chrcynno-Palace Stud, both of them have made their name known in the international world of Arabian horses. With the characteristic movements and show attitude from their illustrious sire, great Arabian type with chiseled heads and huge black eyes, these white mares are the epitome of the classic Polish Arabian mare.

Psyche Victoria belongs to the successful damline of Szamrajówka tracing down to the glorious PENTODA, who created her own subfamily of her great dam PIEWICA, and PENTODA's Polish National Junior Champion daughter PEREŁKA. PEREŁKA produced five offspring prior to her untimely death, including Wels International Champion Mare PERSENKÓWKA and the great producing PELISA, one of the foundation mares at Chrcynno-Palace Stud. Pelisa produced the champion stallion PANICZ (by Gaspar) and two daughters which were very important for Chrcynno-Palace Stud's breeding program: PALLAS-ATENA by ECAHO and POMONA by EKSTERN. Pallas-Atena was bred to Ekstern five times with extraordinary results in the shape of Psyche Victoria and Psyche Kreuza.

ANAWERA has all the credentials a show-oriented breeding program could ask for: a champion from the show arena, still young with only the first senior year behind her, from a revered Janów Podlaski damline and a proven broodmare with her first foal on the ground this season.

Her best performances come from the Junior Spring Show, where she won the Championship title and received a highly deserved score of 43,17 (!) and from the Polish Nationals as a senior, where she earned 92,38 pts and ultimately the honors of Polish National Top Five Senior Mare. But you can bet that is not her final word on the show arena.

ANAWERA is out of Janów's well-respected broodmare ALTAMIRA. This incredible "King of the Ring" EKSTERN daughter rocked the show grounds upon her debut at Białka, claiming the highest score of all presented yearlings (93,33 pts) and taking home the title of Reserve Champion, besting such names as PISTORIA, EJRENE, NORMA, SEFORA & CENOZA. ALTAMIRA continued this trend as a senior, when she was awarded with 93,67 pts at the Polish Nationals. She was one of the bright stars of the 2015 Pride of Poland Sale and sold for 250 thousand euro, fortunately leaving a slew of accomplished produce behind.

Apart from ANAWERA, ALTAMIRA's foals include AMANITO (twice Junior Spring Show Top Five, Autumn Show Junior Champion & 2016 Polish National Top Five Senior Stallion), currently a chief sire at Janów Podlaski, ADELITA (European Yearling Gold Champion, World Yearling Top Ten Mare, Polish National Junior Top Five Mare) and Polish National yearlings class winner ABDANK.

ALTAMIRA is a sister to other notable Janów fames, such as ALABAMA (Scandinavian Open Senior Bronze Champion, Polish National Senior Bronze Champion, Deauville Arabian Cup Senior Bronze Champion Mare & high-seller of the 2014 Pride of Poland at 165 thousand euro), ATMA (Wrocław Summer Show Senior Bronze Champion & Autumn Show Senior Reserve Champion Mare) - dam of Junior Spring Show Top Five ATANDA. They in turn are all out of ALTONA, another Pride of Poland high-seller at 180 thousand euro, one of the stellar set of daughters of the much cherished Kuhailan mare ALBIGOWA. ALTONA's prized sisters are none other than ALIARA (granddam of ALMANZOR & ARMANDA), ALBONA (granddam of ALBANO & ALEGRA), AMRA (granddam of AMARENA & ADYGA) and ALHAMBRA - grandam of recent Janów Podlaski sensation AL JAZEERA - Polish National Junior Gold Champion, European Yearling Bronze Champion, World Yearling Top Ten, Junior Spring Show Gold Champion & Al Khalediah European Arabian Horse Festival Junior Gold Champion Mare.

The daughters of Polish National Junior and Senior Champion Piaff have proven to be great producers with the charisma and great movements from their powerful sire. Białka is offering one of their best with the grey Egita, a representative of the successful Milordka-family tracing down to the mare ELA through her daughter ELOKWENCJA. This dam line is known not only for its beauty but also for the great racing abilities with the Oaks-winners ELODIA and ETYLINA. Egita's dam EGIRA is a daughter of the highly acclaimed sire EMIGRANT, himself a Polish National Champion, All Nations Cup Reserve Champion and European Champion Stallion.

Egira is also the dam of the two full sisters EGEMA and EGIRIA by ESPARTO. Egema had a very successful show career in Poland being Wrocław Arabian Horse Weekend Junior Gold Champion Mare and Autumn Show Junior Gold Champion Mare and Best in Show prior to being sold to UAE where her career has continued successfully winning Abu Dhabi International Junior Bronze Champion, Arab Emirates National Junior Reserve Champion Mare and UAE National Senior Bronze Champion Mare. Egiria was Białka Spring Show Junior Bronze Champion and she produced her first foal at Białka in 2016.

Piaff was a successful race horse and has also gained big success in the show ring as the Dutch National Champion, US Region II and Region III Champion beside his Polish National Champion titles. He is also a very accomplished sport horse and has been competing both in USA and in Poland with great success. Piaff was awarded with the WAHO-trophy for his outstanding achievements and his son ECHO APOLLO has also been awarded with this prestigious trophy for his great success as a sport horse. Piaff is also the sire of the Chief-sires ALBEDO and Polish National Champion Stallion ALERT, making Alert the 5th generation claiming a National Champion title in Poland.

With three beautiful daughters retained at the stud, Białka is offering this great producing mare making it a unique opportunity for any breeder to buy a direct daughter of Piaff out of the most successful dam line in Poland.

BREEDING STATUS:

Bred to SAHM EL ARAB (last service on 14th of March, 2017)

The daughters of Ekstern have distinguished themselves not only in the showing but also as valuable broodmares and with Laranda, Michałow Stud is offering one of their best. With the characteristic movement and attitude from her sire combined with the feminine beauty of her great dam Larissa, Laranda is a great show-horse but her biggest value lies in her produce. Beside being the dam of Michałow Chief sire Larando (by QR Marc) and the All Nations Cup classwinner and Middle East Champion Latona (by El Nabila B), Laranda has proved that she is a great producer who strongly passes on her great movements and excellent arabian type no matter which stallion she is bred to.

Laranda belongs to the valuable L-strain of the Wołoszka-family and her dam Larissa was not only the superstar in this family, she was also considered to be one of the most celebrated daughters of Eukaliptus and was awarded Białka Spring Show champion, Polish National Junior Reserve Champion, Polish National Senior Champion and classwinner at the European Championships. Larissa has a dryness and exotic beauty with the incredible long and well-set neck of her sire Eukaliptus, great presence and powerful movements. This can be seen not only in her daughter Laranda, but also very strong in Laranda's offspring. Larissa is also the dam of Danish National Champion Stallion and Scandinavian Open Silver Champion Stallion Lissar (by Gazal Al Shaqab), a stallion that always impress with his great movements. Larissa was sold at the 2005 Pride of Poland auction to Palmetto Arabians in USA where she has been a valuable broodmare producing five offspring before her retirement, including the Champion- mare PA Livia (by Marwan Al Shaqab) and the successful western horse PA LaColline (by Sundance Kid V).

Laranda is an unique opportunity for the breeder who seek a consistent producer of beauty, movement and great conformation to add to their breeding program, just add the great pedigree into the picture and you have one of the most complete offerings at this auction. Can you afford to miss her?

BREEDING STATUS:

Bred to EL PALACIO VO (last service on 23rd of February, 2017)

Falborek Arabians, one of Poland's leading private studs, have been one of the first to stand up to the power of the State Studs and come out victorious. They did so with EKSTERNA, who justly earned the title of Polish National Reserve Champion Mare, proving that Falborek is a force to be reckoned with. In the breeding barn EKSTERNA reached even higher by producing multi show star EMARC, whose show achievements were recognized by the Polish Arabian Horse Breeders Association naming Falborek Arabians "Breeder of the Year". EMARC has been selected to stand as chief sire at Falborek. His get include Polish Nationals class top five SADIMAR and GARCIA, also a class top five finalist from the Polish Nationals, Arabia Polska Warsaw Championships and the All Nations Cup. Another son of EKSTERNA, the grey ETERNIS, has not only wowed at shows in Europe, but has recently conquered Bahrain as Senior Top Five Stallion at the International Arabian Horse Show. EKSTERNA's siblings also exhibit the show gene: EMLAHABA is an Arabes & Co Senior Silver Champion Mare from Spain, while ESIMA is a Polish National Junior Top Five Mare. All three sisters are out of EMANTA, a daughter of the iconic EMANACJA from Michałów's E-dynasty of champions. In turn EMANTA's renown sisters include the likes of EMILDA (and her immediate kin: EMBRA, EMMONA, EMIRA, EL SAGHIRA, EMPIRE, EL OMARI), EMANDA (dam of EMANDORIA), ESPADRILLA, EMPIRYKA & EL EMEERA (dam of EL LARINERA).

While the damline of EMANACJA and her kin can easily overshadow the spear side of a horse's pedigree, this is not the case in EKSTERNA, whose name perfectly hints at who her sire is. She is a premier daughter of the "King of the Ring" EKSTERN, an undefeated living legend, who has proven his value not only by siring champions, but more importantly – broodmares that produce champions. Suffice to say that just in the last years EKSTERN daughters have contributed to the breed with EQUATOR, WIEŻA MOCY, PUSTYNIA KAHILA & MORION. Do not miss this once in a lifetime opportunity to acquire a highly acclaimed EKSTERN daughter to take your breeding program to new heights.

There are rare opportunities that should not be passed on and this is one of those, a once in a lifetime opportunity to buy a direct daughter of one of the most decorated and loved mares in Michałow's history - the legendary EL DORADA. With two promising fillies retained at the stud, Michałow offer this strikingly beautiful chestnut mare to a discerning buyer. EL DORELLA has the presence and charm so significant for her dam, yet with a personality and charisma that shows the features from her famous sire, the great moving, tall EDEN C. With these two giants in the breed as sire and dam El Dorella is a given star for many reasons and whomever manages to win the bid is to congratulate as this chance to own a piece of the history through a direct daughter of El Dorada, that chance is now and will not come back. El Dorada's show career started out as a two-year old when she was Bialka Spring Show Junior Champion, Scandinavian Open Junior Champion, Polish National Junior Champion and European Junior Champion. After one year at the racetrack El Dorada returned to the showing claiming the Polish National Senior Champion title as well as All Nations Cup Senior Champion Mare. She would later add several titles to her record like European Senior Champion Mare, US National Senior Champion Mare, Scottsdale Arabian Show Senior Reserve Champion Mare and PSAIAHF Senior Silver Champion Mare. El Dorada produced three offspring during her lease to Valley Oak Arabians in USA - ELLE DORADA (by Enzo) sold to Lenita Perroy in Brazil, EL EUPHORIA VO (by Ecaho) sold to Middle East and EL PALACIO VO (by Al Lahab) sold to Al Khalediah Stud in Saudi Arabia. El Dorada is the daughter of the legendary EMIGRANTKA, Polish National Champion Mare and European Champion Mare, one of the exceptional full-sisters that created a whole new aspect of the meaning success for Michałow with horses like EMANDORIA, EMANDA, ERLANDA, EJRENE, EMIGRANT, EMIRA, EMMONA and EMBRA. And now Michałow give you the chance to make your success with El Dorella creating new fantastic horses representing this extraordinary damline.

An absolute gem from the barns of Janów Podlaski: still a junior, already a Polish National Champion and a wielder of an extraordinary genetic combination, PRUNELLA is the answer for those looking for a proven show horse and future broodmare with a whole life of producing still ahead of her.

PRUNELLA is the reigning Polish National Junior Champion Mare, which is the most coveted title for Polish Arabian horses. Not at all surprising, considering that she comes from the world-famous P-line of PIEWICA, whose members include a plethora of international show, racing and breeding stars. PRUNELLA's granddam POHULANKA, herself a Junior Spring Show class winner, is the dam of one of Poland's most respected chief sires - POGANIN, a multi champion as Polish National Champion, European Bronze Champion, Prague InterCup Silver Champion and five time World Top Ten Stallion and the sire of show star KABSZTAD. Another POHULANKA produce, daughter POLIHYMNIA, is the dam of foals' class winner F FAISAL at the Kuwaiti National Championships in 2016.

POHULANKA is further a daughter of PESTKA, who has by now established her own well-known branch of the damline of PIEWICA. PESTKA's descendants have specialized themselves in producing chief sires, NINE of which have been active in recent breeding. Apart from the afore mentioned POGANIN this group includes the absolute phenomenon POGROM (Polish National Junior Gold & Senior Silver Champion and 2013 American Triple Crown winner: Scottsdale Senior Champion & Supreme Champion, US National Senior Champion and Arabian Breeders World Cup Senior Champion Stallion), show winners PORTO, PERSEUSZ, PEGASUS, PRADO and performance-oriented PENTAGRAM, POLIGON & PEDAGOG, successfully utilized in sport breeding as well. The branch of PESTKA does not lack in headline-making females either. Not searching far, POHULANKA's sisters are the dams of: Polish National Gold Champion, All Nations Cup Silver Champion & European Silver Champion Mare PEPITA, also the record-seller of the Pride of Poland Sales at 1.4 million euro in 2015, multi Liberty class winner PAPAYA, Polish National Senior Bronze Champion PERNILA and frequent Scandinavian show champion POLIFONIA.

The males in PRUNELLA's pedigree add a bit of exoticness to her esteemed Polish damline. Her sire ABYAD AA comes from the world-respected breeding program of Ariela Arabians and has collected the accolades of Israeli Egyptian Event Champion Foal and Israeli Reserve Champion Foal. He is a grandson of the iconic mare THE VISION HG, dam of champion chief sires AL LAHAB, AL MARAAM, AL AYAL AA. In turn PRUNELLA's maternal sire, HLAYYIL RAMADAN of the Royal Jordanian State Stud is a highly decorated and valued breeding stallion in his home country. The achievements of his get, especially his broodmares, have earned HLAYYIL RAMADAN the WAHO Trophy in 2006.

Bred to POMIAN (last service on 28th of February, 2017)

An exceptional daughter of EKSTERN, WOŁOGDA is a perfect opportunity for breeders looking to incorporate the finest broodmares into their program.

EKSTERN needs no introduction. Affectionately dubbed “the King of the Ring”, EKSTERN remains an undefeated show champion with nine prestigious titles to his name, among them Polish National Junior & Senior Champion Stallion, 2000 European Triple Crown winner as All Nations Cup, European & World Senior Champion Stallion, Mercedes Diamond Cup Champion and a WAHO Trophy honoree for an outstanding individual of Arabian breeding. But more importantly EKSTERN is a producer of champions and even more - of broodmares which produce yet another generation of champions. Looking only at recent years we come across his daughters that foaled the biggest names in the industry: PUSTYNIA KAHILA (out of PUSTYNNA MALWA by Ekstern), MORION (out of MESALINA by Ekstern), EQUATOR (out of EKLIPTYKA by Ekstern) and WIEŻA MOCY (out of WIEŻA MARZEŃ by Ekstern).

True to this heritage, WOŁOGDA is the dam of the delightful WIGA, a class top three finalist from the Junior Spring Show and the Polish National among tough competition. WOŁOGDA herself is a double class winner from the Junior Spring Show in Białka and Autumn Show in Janów Podlaski, with a further two second class spots from the Junior Spring Show and the Polish Nationals (where she received an identical score as Polish National Champion & Pride of Poland high-seller at 400 thousand euro PALABRA), and two third places at the Polish Nationals and European Championships. On these occasions WOŁOGDA was regularly awarded sets of solid “19s” and “20s” for type, head & neck and movement.

WOŁOGDA is definitely the best produce of WANILIA, a classically structured Kuhailan broodmare from the Kurozwięki breeding program. Her dam WIZYTA, an All Scandinavian Junior Champion, and granddam WIORSTA, a Gold Medalist and Reserve International Show Champion at an exhibition in Stockholm, as well as Reserve International Show Champion in Blommeröd, belonged to the elite broodmare band of Kurozwięki State Stud.

The legacy of WIORSTA is also visible in and continued by the private Polish stud of Falborek Arabians. The damline’s fantastic genetic make-up allowed them to breed such greats as WASA (Junior Spring Show Reserve Champion Mare, high-seller for 252 thousand euro at the 2015 Pride of Poland Sale), WABIA (Prague Intercup Junior Bronze Champion Mare, high-seller for 100 thousand euro at the 2016 Pride of Poland Sale), WASALIA (All-Polish Junior Silver Champion, Al Khalediah European Arabian Horse Festival Junior Bronze Champion Mare) & WERSA (Wels International Junior Silver Champion & Junior Spring Show Bronze Champion Mare).

PENTRA belongs to the rather small but esteemed family of TARASZCZA through the mare PORFIRA imported from Tersk in 1958 to Michalow to re-introduce this branch of the valuable Gazella db damline that had been confiscated in 1939. Taraszczka is the dam of the legendary sire NEGATIW but she also created her own dynasty at Tersk primarily through her daughters NITOUCHKA and TEPLITSA. Porfira's granddaughter PLISZKA (by Gwarny) would be the great mare that would secure this family and make it strong and successful again in Poland. Pliszka had impressive 18 offspring and among them the great daughters PLISA (by Probat), PALBA (by Penitent) and PREMIA (by Palas). Palba was the high-seller at the Polish Prestige auction sold to Halsdon Arabians in UK. Plisa was a strikingly beautiful fleabitten daughter of Probat with a great body, something significant for his offspring. Plisa produced the Eukaliptus-daughter PANIKA, a gorgeous mare with a very special bloody shoulder marking in her face. Panika herself is an accomplished showhorse winning the Autumn Show Bronze Champion title, but her true value has been in her produce. At Michalow her outstanding Ekstern-daughters PALANGA and POLONICA were retained into the breeding program allowing Panika to be sold at the Pride of Poland auction in 2011 to Athbah Stud in Saudi Arabia. Palanga has been European Junior Champion, Bialka Spring Show and Polish National Junior Reserve Champion, Ströhen International Junior Champion Mare, All Nations Cup and European Senior Reserve Champion Mare, twice Polish National Silver Champion Mare and Al Khalediah European Horse Festival Senior Gold Champion Mare and Best in Show and beside her great showcareer she has been an outstanding producer as the dam of the Champions PADOVA and PROFENDER K.A. Polonica only produced two daughters before her untimely death, but two of outstanding quality - PIACOLLA (by Enzo) and PONTIA (by Equator). Piacolla boosted her career winning the titles Bialka Gold Yearling Champion and Polish National Gold Junior Champion as well as European Yearling Bronze Champion. She was offered at the Pride of Poland auction as a 2-year old joining her granddam Panika when sold to Athbah Stud. Piacolla has then for her new owner secured the titles European Junior Gold Champion, Qatar International Junior Gold Champion and All Nations Cup Junior Gold Champion. Pontia has just started her career winning Bialka Spring Show Yearling Silver Champion and Al Khalediah European Horse Festival Yearling Bronze Champion Filly. Pentra's granddam PREMIERA and great granddam Premia are both Polish National Champions and Premiera is the dam of the moving machine and multi-champion stallion PREMIER. Pentra's dam PECZORA was sold to Halsdon Arabians with Pentra retained at the stud. Pentra has already proven herself as a great producer as the dam of the great moving Pentora exported to Sweden and to the successful, pretty Poganinka who scored high at every show in 2016 for her great movement and extremely pretty head and long, well-shaped neck.

This is an unique opportunity to purchase a daughter of World Champion and Polish National Champion Mare GALILEA, the great daughter of LAHEEB and out of the glorious GEORGIA, one of the most charismatic daughters of MONOGRAMM. Galacja belongs to the family of GILZA (Espartero x Gastronomía), a family known for its beauty and athleticism like Polish Chief sire GANGES Scandinavian Open Champion, US National Champion and Polish National Champion Stallion as well as Stakes winner and Scottsdale Arabian Show Top Ten Country English Pleasure.

Galacja's sire WH KANEKO MS was bred by Wendell Hansen in USA, the breeder of Champion-maker WH JUSTICE. WH Kaneko is very reminiscent of his sire World Champion MARWAN AL SHAQAB, the leading sire of Champions on all continents for the last decade. WH Kaneko's dam WHK ANTIFFANY BEY represents predominately Polish lines crossed with some of the best Crabbet, Russian and Spanish bloodlines. WH Kaneko has been a successful sire in France producing several Champion offspring and he was leased to Poland in 2011 as an additional source of Marwan Al Shaqab.

Galacja belongs to the strong damline of Gazella db, one of three mares imported in 1845 to Jarczowce. The family of Gilza (Espartero x Gastronomía) is known for not only classic beauty but also for great accomplishment in racing and performance with several Oaks, Derby and Stakes-winners like GENEZA, GARONNA, GEPARD and GWARO. Gilza's daughter GIZELA (by Palas) was invaluable for Michalows breeding program leaving 9 daughters including the extraordinary GENEZA, GIZA, GARONNA, GASKONIA, GEORGIA and GEHENNA. Georgia was not only an accomplished racer with 15 starts during her two seasons, she has also been one of the best daughters of Monogramm in the showring and still at the age of 20 she wowed the crowd and gained 95.17 points at the Polish National Show. Georgia is the dam of the great Georgetown (by Gazal Al Shaqab), South Africa National Champion Stallion and multichampion stallion in Show Hack, Driving, Country Pleasure and Costume classes, making him to another perfect example of how versatile this family is. Galacja's dam Galilea was raced and proven herself with 11 starts during two seasons at the racetrack and in the showring she was awarded Polish National Champion Mare and World Champion Mare. Galilea's breeding record include Gallia (by Galba) Arabian Impressions Senior Bronze Champion and Araber Natürlich Senior Bronze Champion Mare and Galerida (by Shanghai EA) Bialka Spring Show Yearling Gold Champion and Bialka Spring Show Junior Silver Champion and currently on lease to Al Baydaa Stud to conquer the showring.

Galacja herself is a Top 5 winner at the Bialka Spring show and will be a strong addition to any breeding program.

The charming CEGRA is a delightful young broodmare benefitting from two gene pools of great importance: the esteemed breeding program of Om El Arab and Janów Podlaski's sub-branch established by one of their most solid and reliable producers, the broodmare CELNA.

CELNA, CEGRA's granddam, is until this day remembered as a prized Janów Podlaski broodmatron of great merit, with extremely versatile produce exhibiting both beauty and stamina - traits which epitomize the genuine classic Arabian horse. An accomplishment the more significant, as it comes in times when victorious racing or show horses stem from sire and dam lines bred exclusively for one of these purposes. CELNA's descendants include capable racehorses CALDERON (Arabian Produce - Janów Podlaski St. winner) & CELTIS (Derby and Criterium St. Winner) and stars of the show arena: CHAOS PERSEFONA (DSAH Arabian Horse Event Junior Champion, Polish National Junior Top Five, European Senior Top Five, Breeders' and International Championships Europe Senior Champion Mare), CETULION (Arabische Pferde in Westfalen Junior Bronze Champion, Berlin Cup Junior Silver Champion & Emerald Trophy Junior Bronze Champion Stallion), CEDORA (Junior Spring Show Top Five Mare), CEFELIDA (Junior Spring Show class winner) and CENOZA - Autumn Show Junior Champion, Scandinavian Open Senior Reserve Champion, Prague InterCup Senior Bronze Champion, Autumn Show Senior Reserve Champion, European Senior Top Five, World Senior Top Ten Mare and high-seller of the 2014 Pride of Poland at 240 thousand euro.

The latter mare, CENOZA, is a half-sister to CEGRA's dam CERINOLA. CERINOLA has fitted in nicely with the family tradition of producing valuable foals, as apart from CEGRA she has foaled the lovely CERANOVA - Junior Spring Show Yearling Bronze Champion, Polish National Junior Top Five, two strong second spots in class at the All Nations Cup and the European Championships and a class top five at the World Championships.

CEGRA's dam CERINOLA is further a daughter of Polish National Champion & US National Top Ten ECAHO, a stallion of such exemplary conformation that he was right-out named after the organization which handles all things Arabian in Europe.

On the spear side we find OM EL BELLISSIMO, an heir to OM EL SHAHMAAN and the grandson of World Champion & Egyptian Event Supreme Champion Stallion SANADIK EL SHAKLAN, one of the most respected sires in the world. OM EL BELLISSIMO's Polish-born get already include the successful Polish National Junior Bronze Champion, Junior Spring Show Silver Champion, Polish National Junior Champion, Polish National Senior Silver Champion & European Senior Top Five Stallion BAROK and Junior Spring Show Top Five, European Yearling Reserve Champion, World Junior Top Ten, Junior Spring Show Champion Mare & Best in Show & Polish National Junior Top Five Mare EUZONA.

The damline of Szweykowska is one of the most important families at Michalow with representatives like WIEZA MOCY, WILDA, WIZJA, WILLIAM, WOJSLAW, WENDETA and WIEZA BABEL.

The chestnut WERBENA (Doktryner x Werbena) was a great producing mare and it would be her two daughters - the bay WARMIA (by Comet) and the grey Polish National Champion Mare WENERA (by Negatiw) - who would create their own success at Michalow through their descendants. While Warmia is represented through her El Paso-daughters WIZJA and WILEJKA and her Bandos-daughter WACPANNA, Wenera is solely represented through her dynamic Gedymin-daughter WENEDA. Anyone who saw Weneda were captured by the effortlessly animated and impressive long-strided trot which she displayed to perfection when at the age of 17 was named Swedish National Champion Mare.

Weneda produced a group of great daughters before being exported to Sweden and her Palas-daughters WENECJA, WENDETA and WIOLETA were all exceptional beauties with an exotic, feminine look and their dams signature feature - her outstanding movement. Wendeta was retained by Michalow while Weneda and Wioleta found their way to USA and UK respectively. Wendeta was very successful in the showing and excelled as a broodmare producing three great offspring by the Russian stallion TALLIN - WARSOWIA, WERNERA and WAGRAM and the great daughters WERDA (by Piechur), WIPERA (by Fawor) and WIDETA (by Wachlarz). Warsowia was exported to Brazil where she founded her own successful dynasty, Wenera found her way to Italy where she was named Italian National Champion Mare and produced the exotic, show-white stallion Wares (by Piruet), multi-champion stallion in Italy. The bay stallion Wagram was exported to Argentina where he was named Argentinian Reserve Champion Stallion and has been a very successful sire.

Wazira's dam is the exotic, great moving black WROZKA (by Ganges), Normandy Arabian Festival Liberty Champion and one of the premiere brood mares at Lutetia Arabians in France. Wrozka's dam, the black Wipera left four valuable daughters in Poland before being exported to UK. Wipera herself has been shown sparsely but she has been named Polish National Junior Champion and Wessex Arabian Horse Show Senior Champion Mare. Sired by the charismatic WACHLARZ (Arbil x Warsowia) Wazira has the great Wendeta in 3rd generation on both her sire and dams side. The linebreeding to Wendeta combined with the lines of the strong Kuhailan-stallions ARBIL and GANGES has made Wazira a strong, correct mare with powerful movements and beauty.

The majority of Arabian horse enthusiasts agree that the ideal of this breed has been achieved, in the shape of one horse - that horse being PIANISSIMA. Although she is no longer with us, her legacy lives on through her descendants. The youngster PIMENTA is PIANISSIMA's direct granddaughter and a one of a kind opportunity to acquire a piece of history, legend and the ultimate perfection, combined with Janów Podlaski's very own American Triple Crown winner, the stallion POGROM.

PIMENTA's dam PIA was the first, very much awaited foal of PIANISSIMA for Janów Podlaski. The awaiting was completely understandable, as PIANISSIMA to this day remains the epitome of the ideal Arabian mare, with some considering her even to have surpassed the boundaries of perfect beauty. PIANISSIMA quickly became a living legend. She began with a unanimous win (which would often be the case later on as well) at the Junior Spring Show in Białka and a Best in Show, then added a Polish National Junior Champion Mare & Best in Show to finish off her yearling season by winning the European Triple Crown as All Nations Cup, European & World Junior Champion Mare. Leased to the United States she claimed the title of US National Junior Champion Mare and on her way home stopped by Al Khalediah in Saudi Arabia to once again take the top honors. At the age of 4 she started her senior career and repeated her junior achievements by winning the Polish National Senior Champion Mare & Best in Show titles and again taking home the European Triple Crown, being the first horse at the time to do so. Next she won gold at the prestigious Dubai International Arabian Horse Championships and topped it off with the title of Platinum Champion Mare at the World Championships in Paris. History was made.

With that PIANISSIMA is the most illustrious member of the world-famous P-line of PIEWICA, whose several generations hold a multitude of accomplished show star. PIANISSIMA's dam PIANOSA was herself a Junior Spring Show Champion Mare & Best in Show, as well as a Polish National Senior Reserve Champion and the granddaughter of this damline's first icon, Polish National Junior Reserve Champion, European Junior Champion, World Junior Champion, European Senior Champion & Show Champion, World Cup Senior Champion & UK National Senior Champion Mare PILARKA. Proof that PIANISSIMA was not just a chance happening are PILARKA's other descendants, which literally include a "who's who" of Polish Arabian horse breeding: PIPI, PILAR, PIAFF, PILOT, PALMETA, PALABRA, PALATINA, PRIMERA, PINTA and PINGA - another World Platinum Champion Mare.

The treasured damline of Selma is represented through two subfamilies at Michalow stud - the Z-family with horses like ZAGROBLA, ZAZULA and ZIGI ZANA and the P-family tracing down to the Tersk-born Potencja imported in 1956 to Poland. Potencja was a fullsister to the stallion Pietuszok who followed his sister two years later and sired a large number of great mares in Poland. Potencja would live on through her daughter POTEGA and her El Paso-daughter PASCHA. Pascha's charismatic, great moving bay Eukaliptus-daughter PASSA was named World Junior Reserve Champion and she secured the legacy of the damline at Michalow before she was sold to Lech Błaszczyk where her Wachlarz-daughters PASTELLA and PASYWA have made the family strong and successful. Pasywa was bred to Ekstern four times producing two fillies and two colts including the Autumn Show Junior Champion Mare PAEMA and Paeksa. Paeksa is a perfect representative of this rather small but very cherished damfamily combined with the strenght of her legendary sire, the unbeaten show-champion and WAHO-trophy recipient EKSTERN. This is an opportunity to acquire a young mare with both the pedigree and the conformation and beauty to be a great producer and to carry on the legacy of this wonderful damline.

Passa's Wojslaw-daughter PASJA also produced great with Ekstern producing two excellent daughters - POLONIA and PIEKNA PANI. Polonia was sold to Belgium where she produced PENELOPE K.A. Tulip Cup Silver Junior Champion, Bruges International Arabian Horse Event Silver Junior Champion, Belgian National Gold Junior Champion, All Nations Cup Silver Junior Champion, AHO World Cup Bronze Junior Champion and European Gold Junior Champion Mare. Piekna Pani was retained by Michalow and among her daughters you will find the promising Piekna Dama and the beautiful, showy EQUATOR-daughter Paradna.

Incorporating all the best that Janów Podlaski has to offer in terms of genetics, the two year old PANACEA is every breeder's dream.

PANACEA is sired by POGROM - the absolute finest stallion to come out of the barns of Janów Podlaski in recent years. POGROM stormed through the show arenas and instantly became a sensation. His stellar looks and masculine nature earned him the titles of Junior Spring Show Champion & Best in Show, Polish National Junior Champion, the 2013 American Triple Crown as Scottsdale Senior Champion Stallion & Supreme Champion, US National Senior Champion & Arabian Breeders World Cup Senior Champion Stallion. Upon returning from his American lease POGROM added the accolade of Polish National Senior Silver Champion Stallion to his growing collection.

POGROM's achievements are not surprising considering he is by World Champion QR MARC and out of PEŁLA, a descendant of Janów's P-line of PIEWICA - and even more specifically from the family's branch of PESTKA, known for producing chief sires. In recent years as many as nine of them were active in Polish breeding, both in the show sector (POGANIN, PORTO, PERSEUSZ, PEGASUS, PRADO & POGROM), as well as the performance division (PENTAGRAM, POLIGON & PEDAGOG).

PANACEA's maternal side of the pedigree delivers a second link to the coveted P-line of PIEWICA. PALMETA, PANACEA's dam, is the ultimate image of the iconic Arabian broodmare: exuding maternal gentleness and pure beauty in her femininity. For this she has been numerously acknowledged at the show arenas with titles of Junior Spring Show Champion, European Senior Champion, World Top Ten Mare and Polish National Junior & Senior Champion Mare with a "Best in Show" honor on both occasions!

In 2015 PALMETA received the WAHO Trophy for an outstanding individual of Arabian breeding and an ambassador of the breed. Her achievements on the show arena were splendid, but those in the breeding were even more spectacular. Apart from PANACEA she has produced the following champions: PALATINO (Prague Intercup Senior Silver Champion, Polish National Senior Champion, All Nations Cup Senior Bronze Champion, European Senior Bronze Champion Stallion), a current chief sire at Janów Podlaski Stud, PALABRA (Junior Spring Show Champion & Best in Show, Polish National Junior Champion Mare and high-seller of the 2011 Pride of Poland at 400 thousand Euro), PALATINA (Junior Spring Show Champion, Prague Intercup Junior Champion, Arabia-Polska Warsaw Championship Senior Gold Champion & Best In Show, Al Khalediah European Arabian Horse Festival Senior Silver Champion & Polish National Senior Gold Champion Mare), PATRIA (Polish National Junior Silver Champion, Junior Spring Show Top Five, European Junior Top Five, World Junior Top Ten, Al Khalediah Arabian Horse Festival Junior Bronze Champion Mare) & PARIS (Junior Spring Show Yearling Gold Champion, Polish National Junior Champion, Al Khalediah European Arabian Horse Festival Yearling Bronze Champion, European Yearling Bronze Champion Stallion).

The Polish Arabian horse is beautiful, athletic with good conformation and stamina as a result of a long and dedication breeding program with a careful selection. Foggoria is a perfect representative with her stellar pedigree and a matching phenotype with great balance and conformation with combined beauty and presence. This promising young mare is a daughter of the charismatic and exotic Gaspar, a favorite among many with his chisled head and tightly placed ears and a spark and energy second to none. Gaspar was Polish National Junior Champion and in 2006 he was named Polish National Champion Stallion with his maternal brother Grafik (by Eukaliptus) as the Reserve Champion and his 19-year old dam Gaskonia being named Polish National Champion Mare and Best in Show. Gaspar strength has been as a broodmare producer and at the age of 18 he was sold to Valley Oak Arabians in USA to join his glorious sire Emigrant in the Valley Oak breeding program. Foggoria belong to one of the strongest racefamilies in Poland through the great mare Forta (Kuhailan Abu Urkub x Porta) and her outstanding daughter FATMA (by Anarchista). Foggoria's dam Foggia is a daughter of Gazal Al Shaqab and she is out of the striking dark brown Fortissima, Polish National Junior Champion Mare. She was the result of doubling up two great individuals - Probat and Fatma, and Fortissima's impact on the Michalow breeding program showed that this "out-of-the-box" thinking to linebreed was spot on. Foggoria is a chance for the discerning breeder to obtain a young mare from one of the strongest damlines combined with the great features from her sire.

Without all doubt the P-line of PIEWICA is Janów Podlaski's most significant family of today. It currently consists of eight generations of champions. Within this damline iconic mares have established their own sub-branches of prominence, vying for supremacy with each crop. As of now, the most important of these appears to be the sub-line of PILARKA and her daughter PIPI, to which the engaging five year old POLANA traces to directly.

POLANA's dam POMERANIA, sired by living legend GAZAL AL SHAQAB, is the very last foal of the peerless PIPI. Named Polish National Senior Champion and Elran Cup Senior Champion Mare, PIPI's true value lay in her producing abilities. She is the dam of 15 foals, many of which went on to achieve greatness on both the show arena and the breeding barn. PIPI's male produce include chief sires PILOT (Polish National Junior Champion, Blommeröd International Senior Champion, UK International Senior Champion Stallion) and PIAFF (Polish National Junior & Senior Champion, US National Senior Top Ten Stallion and WAHO Trophy honoree) and champion daughters PISTACJA (Polish National Junior Reserve Champion, twice Polish National Senior Reserve Champion Mare), PIKARDIA (International Blommeröd Senior Champion, UK National Senior Reserve Champion Mare) and PILAR (Polish National Junior Champion Mare). PIPI's daughters also inherited her producing abilities and have proven themselves as superb broodmares. PRERIA foaled PRIMERA (Junior Spring Show Bronze Champion, Scandinavian Open Junior Champion & Best in Show, Polish National Junior Champion, All Nations Cup Junior Reserve Champion, European Senior Champion Mare), PILICA produced PALMETA (Junior Spring Show Champion, Polish National Champion & Best in Show both as junior and senior, European Senior Champion Mare and WAHO Trophy honoree, dam of multi champions PALATINO, PALABRA, PALATINA, PATRIA & PARIS) and PILAR delivered further champions PIETA, PINTA, PIZARRO, PILAROSA, PIBA, POMIAN and World Platinum Champion PINGA, who has by now also produced Polish National Champion Mare & Best in Show PINIATA...

The descendants of PIPI have always been sought after equines, achieving top prices at the annual Janów Podlaski auctions and often being the record setters of their sales: PINTA sold for 500 thousand euro, PALABRA - 400 thousand euro, PIETA - 300 thousand euro, PILAR - 240 thousand euro, & PRERIA - 230 thousand euro.

PIPI is considered the best daughter of the ethereal PILARKA, Polish, UK, European & World Champion, forever etched in history as the "flying beauty" for her phenomenal trot. However it is more than worth noting that one of PILARKA's other daughters was the direct predecessor of the ideal Arabian mare, World Platinum Champion PIANISSIMA. This is the immense heritage that POLANA is a part of.

The family of PIEWICA and its P-named members have become an instantly recognizable signature damline of Janów Podlaski, but there is also another, although smaller, P-line at Janów that has rendered tremendous services and laid solid foundations for the Arabian breed in the past. And PETERIA is fortunate to benefit from both, as she is sired by a PILOT, a signature stallion of the PIEWICA damline and also traces directly to one of the most significant broodmares in the history of Polish breeding, the immortal PARMA.

Born at Tersk, PARMA enriched Polish breeding with Egyptian influence via her sire ASWAN and grandsire NAZEER, gifting the breed with an incredible number of 21 foals. Most importantly these included as many as five international champions and chief sires of considerable merit: European & Polish National Reserve Champion PARTNER, World Cup & Polish National Champion, as well as Race Horse of the Year PAMIR, German National Reserve Champion PASAT, Brazilian National Champion POLONEZ and Polish National, Swedish National Champion and World Reserve Champion PARYS.

The PIEWICA link in PETERIA comes through her sire PILOT. This Polish National, UK National & Blommeröd Champion, is a son of this family's most revered broodmatron, the iconic PIPI. Polish National Senior Champion & Elran Cup Senior Champion Mare PIPI, in turn a daughter of the legendary PILARKA, established her own sub-branch of PIEWICA's damline with specimen of immense breeding value. Apart from PILOT, PIPI produced Polish National Junior & Senior Champion, US National Senior Top Ten Stallion and WAHO Trophy honoree PIAFF, Polish National Junior Reserve Champion, twice Polish National Senior Reserve Champion Mare PISTACJA, International Blommeröd Senior Champion & UK National Senior Reserve Champion Mare PIKARDIA and broodmatron extraordinaire PILAR (the new "mare that lays golden eggs", dam of PIETA, PINTA, PILAROSA, PIBA, POMIAN & World Platinum Champion PINGA). Further generations of PIPI's descendants include multi champion and another WAHO Trophy recipient PALMETA, dam of PALATINO, PALABRA, PALATINO, PATRIA & PARIS), Junior Spring Show Bronze Champion, Scandinavian Open Junior Champion & Best in Show, Polish National Junior Champion, All Nations Cup Junior Reserve Champion, World Junior & Senior Top Ten, European Senior Silver Champion & European Senior Champion Mare PRIMERA, Polish National Senior Champion Mare & Best in Show PINIATA & Junior Spring Show Yearling Silver Champion Mare PROMETIDA.

POTENZA is an incredible chance to acquire a half-sister to two accomplished show colts from a sub-branch of PIEWICA that has recently made a name for itself as a producer of chief sires, including POGROM himself.

POTENZA is a proud younger sibling to Junior Spring Show Yearling Top Five, Prague InterCup Junior Champion and Prague European Cup Junior Champion Stallion PEON, as well as Junior Spring Show Yearling Top Five Stallion PERKUN.

Their dam PENTA, a Junior Spring Show class top five finalist, is the daughter of PEPINA by PILOT. PEPINA herself is a sibling to five chief sires utilized in breeding in recent years.

The most prominent of these is none other than POGROM, an absolute phenomenon and greatest stallion to come out of the barns of Janów Podlaski in the last decade. Masculine, commanding and energizing, POGROM claimed the titles of Junior Spring Show Champion & Best in Show, Polish National Junior Champion, the 2013 American Triple Crown as Scottsdale Senior Champion Stallion & Supreme Champion, US National Senior Champion & Arabian Breeders World Cup Senior Champion Stallion. On home soil he further won the title of Polish National Senior Silver Champion Stallion and it will definitely not be the last. Other chief sires include Junior Spring Show Champion Stallion & Best in Show PRADO and performance-oriented PENTAGRAM, POLIGON & PEDAGOG, utilized in sports breeding.

PENTA and her brothers all trace to PESTKA, foundress of a sub-line of the dam line of PIEWICA especially adept at producing chief sires. Apart from the six mentioned above this branch has also delivered Autumn Show Senior Champion, World Senior Top Ten & Polish National Senior Reserve Champion Stallion PEGASUS, Poznań International Junior Champion, St. Petersburg International Cup Senior Bronze Champion Stallion PERSEUSZ, Polish National Junior Reserve Champion, All Nations Cup Junior Top Five, Polish National Senior Champion, World Senior Top Ten, Autumn Show Senior Champion Stallion & Best in Show, Prague Intercup Senior Reserve Champion & European Senior Bronze Champion Stallion POGANIN & Polish National Junior Reserve Champion Stallion PORTO.

But the subline of PESTKA is not just about males. Famous mares from this line include Liberty champion PAPAYA, Polish National Junior Gold Champion Mare PRUNELLA and the all-time record holder of the Pride of Poland Sales at 1.4 million euro - PEPITA, Polish National Senior Champion & Best in Show, All Nations Cup Senior Silver Champion, European Senior Silver Champion Mare & World Top Ten Senior Mare.

If that wasn't enough, POTENZA is sired by the EKSTERN son POLON, a maternal brother to the legendary PIANISSIMA. After just one season in Poland POLON joined the elite Arabian herd of Halsdon Arabians.

EMPERA is one of the hidden gems in the auction with a stellar pedigree filled with great horses that proven themselves not only as some of the best Polish horses in the showing but also as great horses in the Michalow breeding program producing top horses in both show and performance. Empera is a daughter of KABSZTAD, the strikingly handsome son of POGANIN - the best son of the Straight Egyptian stallion LAHEEB leased during two periods to Poland where he produced several great horses including Polish Champions EMIRA and GALILEA. Polish National Champion Stallion Poganin himself is the perfect blend of his SE sire and his dam POHULANKA who represents Old Polish bloodlines through her sire PEPTON (Negatiw x Pemba), Polish National Champion Stallion and Race Horse of the Year and through her dam PESTKA, by many considered to be the most beautiful daughter of the great PROBAT and out of the invaluable mare PENTODA (Bandos x Piewica).

Kabsztad has proven himself both in the showing and as a sire and no wonder with his dam being the legendary KWESTURA (Monogramm x Kwesta), one of the most meritorious mares bred at Michalow and a superior broodmare.

Empera's dam EMIRIONA is a daughter of the Polish National Champion Stallion GRAFIK (Eukaliptus x Gaskonia), a stallion with great conformation and a wonderful disposition. Grafik has a royal pedigree and beside his show-record he raced successfully for two seasons and has been competing in high-level dressage with great result. Emiriona is a daughter of one of the most successful Monogramm-daughters at Michalow - the great EMMONA who managed to obtain the highest score at the prestigious All Nations Cup, beating the scores of horses like PIANISSIMA and MARWAN AL SHAQAB. Emmona has been World Junior Champion and Polish National Senior Gold Champion Mare and Best in Show and she is the dam of Champion-producing Chief-sire ERYKS (by Gazal Al Shaqab).

A reigning Polish National Senior Champion Stallion and Best in Show on the same occasion - ALBANO is a classic sire from the highly acclaimed, historic damline of ALGERIA touched up with modern beauty in the shape of the multi US National Champion ENZO. Through his sire ENZO, ALBANO benefits from the influences of the distinguished PADRON and BEY SHAH, two of the breeds most influential and legendary sires. ALBANO exudes traits that brought ENZO worldwide fame: stellar build, correct conformation, purposeful and dynamic movement and a large, expressive eye. These characteristics have been appreciated by judges, earning him a slew of well-deserved champion titles in Poland, Denmark and Sweden.

ALBANO's maternal sister, the charismatic ALEGRA, is a Junior Spring Show Top Five Mare from Białka. Both siblings trace to the iconic Polish National Senior Champion Mare ALGERIA, a name synonymous for the classic Janów-bred Kuhailan, through her best daughter ALBIGOWA. Starting with ALGERIA, the family consists of five generations of champions, spanning from the 1980s with names such as ALGERINA, ALEGRO, ALMERIA, ALGORA, ALBA & ALBULA, crossing over to the new millennium with AMRA, ASLAN, ALHAMBRA, ALWARO, AGILLA, ALTAMIRA, ALABAMA & ATMA, to the most recent star as ANAWERA (Junior Spring Show Champion, Arabia Polska Senior Silver Champion, Polish National Senior Top Five Mare), ADELITA (European Yearling Gold Champion, World Yearling Top Ten Mare), ATANDA (Junior Spring Show Top Five Mare), AMARENA (Prague European Cup Junior Top Five Mare), ADYGA (Prague Intercup Junior Silver Champion, Prague European Cup Junior Silver Champion Mare) and the stunning AL JAZEERA - Junior Spring Show Yearling Top Five, Polish National Junior Champion, European Yearling Bronze Champion, World Yearling Top Ten, Junior Spring Show Gold Champion & Al Khalediah European Arabian Horse Festival Junior Gold Champion Mare.

The dam of ALBANO is a daughter of Michałów Stud's prized Polish National & European Champion Stallion EMIGRANT, recognized as the personification of classic Arabian type. A son of Polish National Champions EMIGRANTKA & ARARAT, he is a source of the precious "E" bloodline of Michałów and "A" line of Janów's racing Triple Crowned/ European & Polish National Champion ARRA. Despite handsome offers, Michałów had for years turned down numerous occasions to sell the regally bred sire, having finally agreed to part with him only at the age of 17. EMIGRANT's true value is visible today like never before, when the produce of his daughters are winning shows in many places around the world.

EUROPIA is a proven broodmare from a damline which gifted the breed with a slew of Polish National Champions, a daughter of Janów's prized broodmatron EUTONA and the Pride of Białka, multi champion PESAL. She is also a maternal sister to two chief sires utilized in Poland, EOL & EURYKLES (Polish National Senior Top Five, Scandinavian Open Senior Bronze Champion & Danish Senior Silver Champion Stallion).

Their dam is the wonderfully feminine EUTONA, a core Janów Podlaski broodmatron and picture perfect Arabian specimen, whose most memorable performance comes from the Polish Nationals in 2005, where with 93 points and three "20s" she won her first class and proved superior to ZAGROBLA, who took second. EUTONA is a sister to EULA, who claimed the title of Polish National Champion Mare as a junior and repeated that feat as a senior, at the early age of four, becoming the youngest Senior Champion Mare in the show's history, further adding a Best in Show. Speaking of famous siblings, EUTONA's & EULA's dam EUTERPE is a sister to two other Polish National Champions: the epoch-making legendary sire of dams EUKALIPTUS and broodmare of merit EUROPA, in turn dam of yet another Polish National Champion in this damline and undefeated racing star EUROPEJCZYK.

EUROPIA also draws good genes from the spear side of her pedigree with PESAL, a multi champion and precious carrier of the valuable "P" bloodlines of PARMA & PIEWICA, generously bestowed upon his lovely daughters. These females are known for being broodmares of great worth, having produced such show stars as, among others, Polish National Champion CELSJUSZ (out of the PESAL daughter CARINA).

DZAKARTA is a daughter of one of the most successful horses in the showing - the refined and exotic PIRUET, a stallion with an unparalleled charisma and attitude, combined with a very good conformation and a lot of personality with his long white mane, his huge black eyes and pretty head. Piruet has been three times European Senior Champion, twice World Champion and twice World Reserve Champion, French National Champion and twice Italian Champion Stallion. Piruet is a son of Blommeröd-bred PROBAT and out of Oaks-winner PIECZEĆ, the fullsister to legendary PILARKA Polish National Junior Champion, twice European Senior Champion, World Senior Champion, World Cup Champion and British National Champion Mare. Piruet was like his dam a talented race horse and raced for 3 seasons with 24 starts where he placed 17 times and came 2nd in Wielki Szlem Stakes and Kurozweki Stakes.

Dzakarta belong to the Sahara db damline through the mare DARIBBA who founded her own dynasty at Michalow whereas her fullsister EPIGONA was put into the breeding program at Janów Podlaski and even though she only got one daughter, EUNICE, she was outstanding and produced 16 offspring and created a strong family with horses like EUKALIPTUS, EUROPA, EUROPEJCZYK, EUTONA and EULA. Even though Daribba got several daughters it would be the Nabor-daughter Daszawa who would be the one securing the future at Michalow and building a strong family with horses like Canadian Park Horse Champion DERWISZ, Polish National Junior Reserve Champion DZIDA, Paderborn Champion Mare DEBOLEKA and the internationally acclaimed DEBOWIEC Brazilian National Champion Stallion among other notable champion titles. Dzakarta's dam DOMBRA was exported to Oak Ridge Arabians, USA after leaving four daughters at Michalow including Dzakarta and the successful Dolores who always score high in the showing on type and movements.

BREEDING STATUS:

Bred to EMERALD J (last service on 28th of March, 2017)

EKSTERA is a broodmare that the seasoned breeder is looking for - the dam of highly acclaimed produce (including a chief sire) and bearing a greatly desirable pedigree built around Poland's two most influential stallions of their era: EKSTERN and EUKALIPTUS.

A Senior Top Five Mare from Prague, EKSTERA is most importantly a proven broodmare, having foaled the multi champion ELMARAN (himself the sire of Arabia Polska Warsaw Championship Junior Gold Champion Mare ANGELINA), EUROPESA and the ever improving ETIFFANI. EKSTERA originates from the damline of ELA, one of the founding broodmares of Michałów Stud, when it was still based in Klemensów. Her contribution to the breed includes a plethora of distinguished show winners, finding acclaim in every corner of the globe: Europe (EKINA, EMIKA, EMON, EDIN, ESPRATERO, EL PIATZOLLA, ELDON, EMERYK, EMESA, EPIMA, ECHO APOLLO, ELTON, EGNA, EGZOTYKA, EWAKUACJA, ELART, EWOLUTA), the Middle East (ESKALOPKA), North America (EDINA, ESKADRA, EGZONERA, EUSCERA) and even South Africa (ELOIDA).

EKSTERA's sires have both written themselves down in the history of the breed. Her maternal sire, EUKALIPTUS, was Poland's first ever National Champion Stallion and the sire of superb broodmares that made up the pillars of state stud breeding as PASSA, EMIGRANTKA, ESKLAWA, EMANACJA, GRENLANDIA, CZECZOTKA, HULANKA, ERLANDA, EGNA, LARISSA, HEROLDIA, PIANOSA & AMRA.

EKSTERN, the "King of the Ring", also has plenty of daughters to be proud of. Only during the past three years the winning produce of his female get included CALATEON, FUERTE, LORD EL SHAWAN, LATONA & LARANDO, WILDA, PSYCHE KERET, PIACOLLA, PITAWAL & ANAWERA, Scottsdale Senior Champion WIEŻA MOCY, as well as the heavy hitters: the 2014 European Triple Crown medalists EQUATOR, MORION & PUSTYŃIA KAHILA.

		Garonna	Fanatyk Gizela
	ALENA grey, 2001 Janów Podlaski Stud	Emigrant Albona	Ararat Emigrantka Pepton Albigowa

An obvious gem in the Summer Sale collection, ALSARA is a daughter of World Champion KAHIL AL SHAQAB and Junior Spring Show Top Five Mare ALEGRA, who in turn is the sister to Polish National Junior & Senior Champion, as well as multi Scandinavian champion ALBANO.

ALSARA stems from the iconic “million dollar mare” & Polish National Senior Champion ALGERIA, a name synonymous for the classic Janów-bred Kuhailan, through her best daughter ALBIGOWA. ALBIGOWA lived up to the heritage of her famous dam as the progenitor of (so far) three generations of champion winners, huge industry names of AMRA, ALHAMBRA, ALTAMIRA, ALABAMA, ATMA, ALMANZOR, ARMANDA, AMANITO, ANAWERA, ADELITA, ATANDA, AMARENA, ADYGA and the most recent family show sensation - AL JAZEERA (Polish National Junior Champion, European Yearling Bronze Champion, World Yearling Top Ten, Junior Spring Show Gold Champion & Al Khalediah European Arabian Horse Festival Junior Gold Champion Mare). ALBIGOWA’s descendants are highly prized in the eyes of breeders worldwide, proof of which are the amounts that they have sold for at past Pride of Poland Sales: AMRA - 340 thousand euro, ALTONA - 180 thousand, ALABAMA - 165 thousand, ALHAMBRA - 140 thousand, ADYGA - 130 thousand and ALTAMIRA - 250 thousand.

In ALSARA the champion genes of KAHIL AL SHAQAB are further amplified by those of her maternal sire, GANGES. A tenacious athlete as the winner of three races (including the Koheilan I St.), yet not lacking the coveted Arabian type, wielding the titles of Blommeröd International Senior Champion/Best in Show, Polish National Senior Champion, All Nations Cup Senior Reserve Champion, Columbus Senior Champion & US National Senior Reserve Champion, GANGES represents the very core of the Polish breeding program.

One of the most treasures daughters of Monogramm was the pretty EMBRA who possessed an amazing trot and a classic beautiful look. She was Arabian Breeders World Cup Reserve Champion Mare beaten by the great EMANDORIA, both mares sharing the same granddam - the legendary EMANACJA. Emandoria is the most decorated Michalow-bred horse through all times including US National Champion, Polish National Champion and Best in Show and Triple Crown winner as the winner of All Nations Cup, European Champion and World Champion in 2013. Embra's dam EMILDA produced three daughters at Michalow before she was sold to Halsdon Arabians in UK - ERYKA by Eukaliptus and the two Monogramm-daughters Embra and EMMONA. Embra's claim to fame is Polish National Champion and International Champion EMIRA (by Laheeb) and the Polish National Champion Stallion EL OMARI (by Enzo). Emira in her turn is the dam of International Champion EL SAGHIRA (by Galba) and Polish National Junior Champion Stallion EMPIRE (by Enzo). Both El Omari and Empire are standing as Chief sires at Michalow passing on great movements and a lot of type to their offspring. Embla herself was Wrocław Arabian Horse Weekend Senior Gold Champion Mare and with her undeniable type and charisma she has a future in the showring as well as a valuable producer for any breeding program with her International reknown pedigree. Embla's sire AL MARAAM is the first offspring of the great mare THE VISION HG and he is sired by IMPERIAL IMDAL. The Vision HG has continued to produce great sons including AL LAHAB (by Laheeb), AL RAHEB AA (by Laheeb), AL AYAL AA (by Al Ayad) and AL GHAZALI AA (by Ghazal Al Shaqab). Al Maraam was leased to Michalow like his paternal brother LAHEEB as an outcross and just like Laheeb he crossed great with the daughters of Monogramm, which we can see in this beautiful mare.

The greatest opportunities of the Summer Sale are hidden in the fillies, ready to shine in the hands of their new owners. Such is GRACY, just three years of age, stemming from the extremely versatile family of GASTRONOMIA, whose descendants include both stars of the race track and the show arena. Not searching far, GRACY's dam GREKA (herself an Oaks in-the-money finalist) has confirmed the versatility of her family by producing Sasanka St. winner GRAN and Junior Spring Show Bronze Champion & Babolna Junior Silver Champion Stallion GENTELMAN.

Moving further along the damline we come to GRACY's granddam GWARKA, whose foal collection encompasses GARUNA (St. Petersburg International Junior Champion Mare), GERARD (Junior Spring Show Top Five Stallion), GOOD BOY (Breeders' & International Championships Europe Junior Top Five, Babolna Senior Bronze Champion Stallion), GATAKA (Arabia Polska Warsaw Championship Junior Gold Champion & Best in Show) and GENETRIX (Arabia Polska Warsaw Championship Junior Bronze Champion, Al Khalediah European Arabian Horse Festival Junior Gold Champion Stallion). Furthermore two of GWARKA's produce had been granted the privilege of being selected for previous Pride of Poland Sales. GWARKA is also a sibling to Derby winner GAFAL and the reliable broodmare GRACEA - dam of Autumn Show Junior Champion & Albi International Junior Champion Mare GADNES and Arabia Polska Warsaw Championship Yearling Bronze Champion Mare GRATENA.

In terms of sires GRACY again benefits from the best of both show and racing. Her sire EF SIMPLY MARVELOUS is a son of World Champion MARWAN AL SHAQAB and grandson World Champion GAZAL AL SHAQAB, whereas her maternal sire is MAJOR, a tenacious race athlete as the winner of five stakes and ten races in total over 5 racing seasons.

EKSCEPCJA is a reliable broodmare with a foal on the ground every year since entering stud duties. A rare daughter of ASLAN, the best son of the very first Polish National Champion Stallion EUKALIPTUS in Polish breeding. A four time winner from the track, second in the Arabian Produce St. and a strong favorite for the blue Derby sash (unfortunately withdrawn due to an injury), ASLAN is also a Polish National Junior Reserve Champion and grandson of ALGERIA, whose recent star descendants include ANAWERA, AL JAZEERA, ADELITA & multi Scandinavian and Polish National Junior & Senior Champion ALBANO.

On her distaff side EKSCEPCJA benefits from the superb genes of her maternal sire, the iconic World Champion GAZAL AL SHAQAB, whose influence of Polish and world breeding is nothing short of extraordinary. GAZAL crossed especially well with old, well-established Polish damlines, and such is the one that EKSCEPCJA hails from - the family of the cherished Janów Podlaski broodmatron ETNA, dam of highly acclaimed sisters - Polish National & World Champion, European Reserve Champion and WAHO Trophy winner ETRURIA & Polish National Junior Champion Mare EQUITANA. EKSCEPCJA belongs to the latter's branch of the family, as do stake winners EMPALA, EQVIDA, EQUILIN, ELMEN and East Budleigh Senior Champion Stallion EKWIPUNEK, Polish National Junior Champion, Scandinavian Open Senior Champion, European Senior Top Five, Polish National Senior Reserve Champion. AL MARAAM was leased to Michalow for three seasons to bring in his refinement and beauty along with his Egyptian bloodlines that worked as a perfect outcross with the mares of Michalow. He especially worked great with the famous Milordka-damline and produced beautiful, elegant daughters with a lot of charisma, size and type. ELGAZONDA has a lot of the elegance of her sire but embodies also a lot of features from her glorious damline tracing down to Estokada through her Comet-daughter Estonia. Estokada herself was an Oaks-winner as was her daughter Esterka (by Anarchista) who also won the Oaks. Estonia's two daughters ESTRELA (by El Paso) and ESTRADA (by Burkan) would also be great producers of race horses with Estrela producing ERRLIS (by Probat) Comparative Stakes winner and Estepona (by Pepton) Oaks winner as well as the Probat-daughter ESTELA who is the dam of Oaks-winner ESTELKA (by Wojslaw). Estrada is the dam of EGIS (by Penitent) Derby-winner and the sire of KURIER who currently is on lease to Michalow from Tersk stud in exchange for the stallion CHIMERYK.

Elgazonda raced for two seasons with 15 starts with great results including 2 firsts, 5 second and 4 thirdplaces.

The Golden cross with the Straight Egyptian stallion LAHEEB with the MONOGRAMM-daughters was a match made in heaven resulting in International and Polish National Champions like EMIRA and GALILEA. El Empiria is another great Laheeb-Monogramm cross from Laheeb's second time in Poland so she belongs to the younger group and is in her prime at the age of 8.

El Empiria's dam EMPIRYKA is one of three fullsisters by Monogramm out of legendary EMANACJA, the other two being EMBELLA and ESPADRILLA. Emanacja and her fullsister EMIGRANTKA made an immeasurable impact on Michalow's breeding program. Emanacja herself was very successful in the showing as Polish National Junior and Senior Champion, European Junior Champion, World Junior Reserve Champion and All Nations Cup Senior Champion Mare. She had 11 offspring before her untimely death at the age of 18 and beside the three daughters of Monogramm she is the dam of All Nations Cup and World Champion EMANDA (by Ecaho), the dam of the most winning horse at Michalow through all times - EMANDORIA. She has won all that is worth winning including US National Champion, Polish Senior Champion and Best in Show, DIAHC Senior Gold Champion Mare and the coveted Triple Crown by winning All Nations Cup, European Champion and World Champion. Emanacja also is the dam of the great PAMIR-daughter EMILDA - Polish National Junior Champion and twice Senior Reserve Champion, All Nations Cup Reserve Champion, European Senior Champion and British National Champion Mare and the stallion Emanor - Polish National Champion Stallion, US National Champion Stallion, Canadian National Reserve Champion Stallion, Scottsdale Arabian Show Champion English Pleasure, US National Top Ten English Pleasure, Canadian National Reserve Champion English Pleasure, US National Top Ten Park Horse and Canadian National Champion Park Horse.

With El Empiria you will not only get a part of Michalow's history, you will get an outcross with a daughter of the great Laheeb, a combination that made magic and is forever written in the history books, and if you want to write your own success story El Empiria will be the one helping you achieve your goal.

ECHO ARIADNA is a young show mare with several notable performances to her name, the best being a strong second spot in class at the highly competitive Polish Nationals in 2016. She comes from one of the most known abroad Polish private breeding programs of Chrcynno-Palace Stud. Horses bred in their barns are instantly recognizable through the “GAJA”, “PSYCHE”, “CHAOS” and “ECHO” prefixes preceding their names. Likewise ECHO ARIADNA belongs to a wider family of “ECHO-named” equines from the stables of Chrcynno. Her dam ECHO KALLISTO has produced ECHO APOLLO (Polish National Junior Top Five, Breeders’ Championships Europe Senior Top Five - Warsaw, excellent sport horse as Classic EC Cup (All-Round) winner at European Sport Championships & WAHO Trophy honoree), ECHO ADONIS (Breeders’ Championships Europe Senior Champion - Warsaw, AHO Breeders’ Championship Europe Final Senior Top Four - Deauville, Arabia Polska Warsaw Championship Senior Bronze Champion Stallion) and class top fives ECHO FORTUNA & ECHO AFRODYTA - the latter dam of the hugely accomplished ECHO AURORA: Polish National Junior Reserve Champion, International Wels Junior Silver Champion, Junior Spring Show Bronze Champion, Elran Cup Junior Silver Champion, Breeders’ European Championship Junior Champion & Best in Show, World Top Ten Junior, Arabia Polska Warsaw Championship Senior Gold Champion Mare & Best in Show. ARIADNA’s “ECHO” heritage is further amplified with that of World Champion KAHIL AL SHAQAB, who appears to be extremely well suited for Polish bloodlines. His first Polish crops took the show scene by storm, resulting in such get as PARIS, MORION, BAMBINA, AL JAZEERA & PUSTYNNIA KAHILA. In a short period KAHIL AL SHAQAB has established himself as a sire with the golden touch and his get is becoming very sought after.

ECHO BEY KARIMA is an exciting offer for breeders wanting their horses to have both looks and stamina. She is a daughter of EGZYNA, a Senior Reserve Champion Mare from the Arabia Polska Warsaw Championship, with strong second spots in class at the Junior Spring Show and Polish Nationals. EGZYNA's produce (and ECHO BEY KARIMA's siblings) have likewise excelled at the show arena: son ECHO GAZAL a Senior Silver Champion Stallion from the Arabia Polska Warsaw Championship and Senior Silver Stallion Champion from the Berlin Cup. Another son, ECHO OFIRA, is a Junior Champion Stallion from the International St. Petersburg Cup. Both brothers have also successfully flexed their muscles at the track: ECHO GAZAL ran over 3 seasons and was 17 times in the money (including 2 wins) from 30 starts, while ECHO OFIRA ran over 4 seasons, finishing in the money 31 times (including 3 wins) from 37 starts. But even more importantly ECHO OFIRA went on to sire one of the best horses of the 2016 racing season - the grey MOGADIUSZ - who has so far won 5 of his 10 starts, including the Derby, Arabian Produce - Janów Podlaski St., Koheilan I St., Pierrot St. and finished in the money in five others.

Although ECHO BEY KARIMA descends from Michałow's "E-dynasty" of show champions, her branch of the family is known for its athletes: Bask & Embargo St. winner ESTELA, Oaks winner ESTELKA, Polish Arabian Horse Breeders Association St. EMOSSA, Oaks winner ESTEPONA and nine time stakes winner ERRLIS. In ECHO BEY KARIMA her family's racing heritage is supported by the show genes of WH KANEKO MS, Autumn Show Senior Gold Champion Stallion and son of US National & World Champion MARWAN AL SHAQAB.

ERGA is a young mare with a rare 100% Janów Podlaski pedigree, as all equines in her first two generations have been born at this State Stud. Maternally ERGA descends from the family of ETNA (dam of the unforgettable ETRURIA - the first Polish horse chosen to compete and ultimately win at the World Championships, Polish National Senior Champion, WAHO Trophy honoree and dam of two champion chief sires: ECAHO & ETOGRAM) through a branch recently made famous by ETNOLOGIA, ERGA's granddam.

ETNOLOGIA is without a doubt a current ambassador of Janów Podlaski Stud. She is the 2016 European Senior Gold Champion Mare, a title which she won for her new owners at Halsdon Stud, who secured her at the 2012 Pride of Poland Sale for 370 thousand euro. Her earlier successes include Junior Spring Show Champion & Best in Show, All Nations Cup Senior Top Five, twice Polish National Top Five, Wels International Senior Top Five, several World Senior Top Ten, Tulip Cup Senior Gold Champion and All Nations Cup Senior Silver Champion Mare. Fortunately ETNOLOGIA left foals at Janów Podlaski to continue in her stead, among them Ströhen Senior Bronze Champion, Kauber Platte Senior Silver Champion and later on Kauber Platte Senior Gold Champion Stallion ETORYK, St. Petersburg International Cup Senior Gold Champion Mare ETIRA and ERGA's dam, ETERYKA.

The heritage of ETNA and ETNOLOGIA is further supported in ERGA by sire ALERT, a European Junior Top Five and most importantly a Polish National Champion Stallion in both the junior and senior categories. What makes ALERT even more special is the fact that he is the fifth in an unbroken line of champion sires, starting with PARTNER - PENITENT - ELDON - PIAFF - and ALERT himself.

Czech National Junior Reserve Champion Mare EKTESA is a splendid mix of a solid, distinguished Polish damline with the exoticness of her Israeli multi champion sire, AA ASSAL.

A son of the world famous LAHEEB, AA ASSAL is not one to be overshadowed by his renown father. AA ASSAL's list of accomplishments is quite huge, with the titles of twice Israeli National Junior Silver Champion, twice Galilee Junior Silver Champion, Israeli Spring Show Junior Silver Champion, Ströhen International Senior Gold Champion, Palestinian International Senior Silver Champion & Israeli National Senior Gold Champion Stallion. AA ASSAL's dam, ASIA, has in turn twice been named Israeli National Silver Champion Mare.

On the distaff side of the pedigree we find EKTESA's granddam EKLEZJA, a distinguished MONOGRAMM broodmare that has actually established a small show dynasty of her own through her daughters in the skillful hands of private breeders. Her descendants include EXPIRIEN (a double medalist from the Rising Star of Tersk show and a chief sire at Tersk), ELGAST (Arabia Polska Warsaw Championship Junior Bronze Champion, Tulip Cup Senior Gold Champion Stallion & Best in Show), ELFERUS (Ströhen Junior Bronze Champion Stallion), EUROGRANT OZ (Junior Spring Show Yearling Bronze Champion, Junior Spring Show Gold Champion Stallion, Arabia Polska Warsaw Championship Junior Gold Champion & Junior Spring Show Top Five Stallion) and ESPEKT (Breeders' & International Championships Europe Junior Top Five Stallion).

All these "E-named" achievers hail further from family foundress ELA, whose line of significant descendants holds such profound names as champions ESKADRA, EMIKA, chief sires ELDON, ESPARTERO and the highly accomplished mother-daughter group of EGZOTYKA, ESKALOPKA, EGZONERA & EGNA.

Fermata also have two promising daughters at the stud by EL OMARI and VITORIO TO.

Fermata belongs to the old Polish damline of Szweykowska, a family reknown for its strength and stamina which can be seen in the great racehorses descending from this damline like the Oaks-winners FARAH-BUFFI and FREGATA. Fermata traces down to the great mare Fregata, whose fullbrother FALSET and her son FRAJTER both won the prestigious Comparative Stakes. The damline also is known for several classical beautiful mares with great success in the showing, like Flądra Swedish National Reserve Champion Mare and FONOLA Norwegian International Champion Mare.

MARES BRED TO :

Bred to POGANIN (last service on 12th of April, 2017)

The three year old MARINERA traces directly to one of the foundation specimen of not only Polish, but Russian and worldwide Arabian horse breeding. Her damline is that of the Janów Podlaski-bred MAMMONA, who became spoils of war taken by the Russian troops at just one year of age during the hardship of World War II. MAMMONA, daughter of the iconic OFIR, became a pillar broodmatron at Tersk and despite her Polish roots became known as “the treasure of Russia”, foaling POMERANETS, NOMENKLATURA, MONOPOLIA, METROPOLIA, MALPIA AND MAGNOLIA. Her daughters and granddaughters became valuable broodmares and spread MAMMONA’s bloodline, the leading at Tersk until this day, all over the world.

MARINERA’s dam MOJA MIŁA (translating to the pleasant phrase “Dear Darling”) is a Senior Champion Mare from the Classic Show at Warren Farm and a Senior Bronze Champion Mare from the Midland Arabian Festival in Malvern, UK. In 2016 her yet unnamed foal won a silver medal at the UK International Arabian Horse Show. MOJA MIŁA is sired by ZŁOCIEŃ, a Polish National Junior Champion & Polish National Senior Top Five Stallion. A son of international champion LAHEEB and Polish National Reserve Junior Champion ZALETA, ZŁOCIEŃ is a stellar example of the successful outcross of his Straight Egyptian sire with Polish damlines, in this case Michałów’s “Z” family of greats, whose posterchild is the unmatched ZAGROBLA.

The male side of MARINERA’s pedigree is the stallion WH KANEKO MS from the barns of Wendell Hansen, breeder of WH JUSTICE. KANEKO, an Autumn Show Senior Gold Champion Stallion from Janów Podlaski, is a son of the peerless MARWAN AL SHAQAB, whose show career is nothing short of extraordinary. MARWAN took the world by storm in 2001, winning all he entered, including the Junior World Championship. He repeated that feat the following year, again becoming Junior World Champion. In the following years he claimed the US National Championship twice and confirmed his reign with the Senior World Championship in 2008.

BARTA is an exciting offer as a young mare from the B-line of BAJDARA, known in past years for the likes of BATYSKAF, BAKARAT and BAJA and now back in the spotlight thanks to BAROK and BIRUTA, BARTA's dam.

BIRUTA is one of the most prominent daughters of EKSTERN bred at Janów Podlaski Stud. She has been a numerous class Top Three & Five honoree from the Junior Spring Show in Białka, the Polish Nationals, the Autumn Show at Janów Podlaski and a Senior Reserve Champion Mare from the regional event in Mińce. Buyers recognized BIRUTA's value at the 2012 Pride of Poland Sale, when bidding for her reached 100 thousand euro. In 2013, under the banner of Halsdon Stud, she placed second at the International West Coast Cup in Koksijde and was named Best Moving Horse.

BARTA & BIRUTA's close relative is BAROK - the most recent sensation to stem from this family as Polish National Junior Bronze Champion, Junior Spring Show Silver Champion, Polish National Junior Champion, Polish National Senior Silver Champion, European Senior Top Five and Polish National Senior Top Five Stallion from 2016.

Other immediate family members include the "bold and beautiful" stallion BATYSKAF, who excelled as a show horse (Polish National Champion Stallion & Best in Show), athlete (Derby & Criterium St. winner and Racehorse of the Year) and sire of racing greats (multi stakes winners FIOLEK & MAJOR), UK Champion Mare BAJA, Middle Eastern champion BAKARAT & Polish National Endurance Champion BAJUS.

The broodmare EMA is an exceptionally interesting specimen in terms of her lineage. She not only incorporates a double inbred to two of Michałów's prominent damlines ("E" through both sire and dam & "W" through both sires of her dam ESKOLA), but the distaff link to family founder ESTOKADA comes through an incredibly rare branch.

EMA stems from Michałów's "E dynasty" of champions, known for such names as EL DORADA, EMIGRANTKA, EMANACJA, EJRENE, EMIRA, EMBRA, ESPADRILLA, EMIGRANT, ELANDRA, EMANDA, EMANDORIA to name but a few. All these beauties (and more) hail from Polish National Senior Champion Mare EMISJA, a great-granddaughter of foundress ESTOKADA, the most known and widespread branch of the family. However EMA descends from ESTANCJA, a maternal sister to EMISJA, allowing her to enjoy genetic diversity, while still benefitting from being a member of ESTOKADA's damline.

ESTANCJA's subline also has several highly accomplished descendants to be proud of. These include EMETYNA (Babolna Senior Champion Mare), ESTARDA (Polish National Junior Champion & European Reserve Champion Mare), ESCALANTA (multi UK regional Champion Mare), EKSCILLA (Polish National Senior Champion Mare), ELLISSARA (Lowland Arabian Cup Senior Reserve Champion, Ströhen International Senior Reserve Champion & International Senior Bronze Champion Mare) and ELLISSEINA (Arabishe Pferde in Westfalen Senior Silver Champion, Arabia-Polska Warsaw Championship Senior Silver Champion & Prague European Cup Senior Silver Champion Mare).

The double "W" dosage of blood through EMA's dam is just as interesting. ESKOLA is sired by WACHLARZ, a 5 time race winner and an 18 time money-earner over three racing seasons. Whereas ESKOLA's maternal sire is WOJŚLAW, a Polish National Champion & Blommeröd Reserve Champion Stallion and four time race winner. Both stallions belong to Michałów's damline of WADERA, progenitor of significant names in the breed in the likes of WILEJKA, WOJŚLAW, WIZJA, WIAŻMA and the "Tower dynasty" of WIEŻA mares, such as WIEŻA MOCY, WIEŻA RÓŻ or WIEŻA WIATRÓW to name just a few.

Teneryfa is an unique opportunity that does not come often to obtain a mare from this small branch of the celebrated Mlecha db damline. Tracing down to the mare AMBARA who was exported to USA and gained international success through her descendants in her new country, like Canadian and US National Champion Park Horse AMBRA, Canadian and US National Top Ten Stallion and Sire of Significance ARISTON, International Champion Stallion BASK CLASIX and the International sires BASKFIBIA, DON EL CHALL and MON TA BASKO. Ambara's daughter TRYGUZA would continue her legacy in Poland and this family was one of the most important at Kurozweki State Studs producing great race horses like TRAF Derby, Witez II, Embargo, Witraz, Ofir and Kurozweki Stakes winner and TAMIL Emael Stakes winner as well as National Endurance Champion TRAP and the German National Champion Stallion TRZOS. The beautiful Bandos-daughter TANIA produced the Polish Chief sire and Polish National Top Five Stallion TURBAN. Tania's dam Trema also produced the athletic and beautiful Eukaliptus-daughter TRIPLA, the dam of Teneryfa. Tripla was an accomplished race horse with 28 starts during three seasons placed 1st six times, 2nd four times and on 3rd place five times.

ELLA OF ELMARAN is charming Junior Bronze Champion Mare from the Thousand Lakes International Arabian Horse Show in Forssa, linebred to one of the most influential broodmares in the Arabian breed - THE VISION HG - through both of her sires.

This Straight Egyptian black beauty is Middle East Junior Reserve Champion, Israeli National Junior Champion, Israeli National Senior Champion and Israeli Egyptian Champion Mare. Although she would have definitely fared well at European shows, it was decided that she was too valuable as a broodmare. THE VISION HG is a dam of multi champion chief sires, such as AL LAHAB, AL MARAAM, AL AYAL AA, AL HADIYAH AA, AL RAHEB AA and several daughters who have also given acclaimed champion produce.

The first link to THE VISION comes courtesy of ELLA's sire ELMARAN, a Scandinavian Open International Junior Reserve Champion, Wels International Junior Top Five, Arabia Polska Warsaw Championship Senior Gold Champion, Deauville Intercontinental Cup Senior Bronze Champion and Polish National Senior Bronze Champion Stallion. ELMARAN possesses the best characteristics of his highly decorated Straight Egyptian sire AL MARAAM, VISION's firstborn.

ELLA's paternal sire is in turn AL LAHAB, VISION's second produce and even greater show horse as, among others, Egyptian Event Supreme Champion, All Nations Cup Champion, World Champion & Most Classic Head Winner, ECAHO Cup Champion, Dubai Gold Cup Champion, German National Champion, Sharjah Straight Egyptian Show Gold Champion & Abu Dhabi International Horse Championship Gold Champion.

On top of that ELLA descends from the well-established E-line of Michałów's champions from their most successful branch of EMANACJA, making ELLA a close relative to EMILDA, EMBRA, EMMONA, EMIRA, EL OMARI, EL SAGHIRA, EMPIRE, EKSTERNA, EMANOR, EMANDA, EMANDORIA, ESPADRILLA & EL LARINERA.

BRAGORA is an interesting combination of the rare damline of Adjuz with the worldwide spread and famous P-line of PIEWICA.

Her sire, the highly acclaimed POGANIN (Polish National Senior Champion, European Senior Bronze Champion, five time World Senior Top Ten, Prague InterCup Senior Silver Champion among others) is a direct grandson of PESTKA (herself a granddaughter of PIEWICA), who has established her own distinct sub-branch of Janów's "P-line". PESTKA's descendants have delivered as many as 9 chief sires, oriented for showing (the afore mentioned POGANIN, PORTO, PERSEUSZ, PEGASUS, PRADO & POGROM), as well as performance and stamina (PENTAGRAM, POLIGON & PEDAGOG). PESTKA's branch of the family of PIEWICA is also responsible for two of Janów's biggest names in recent years: Polish National Champion & 2013 American Triple Crown Winner POGROM and the Pride of Poland record seller of all time at 1.4 million euro mare PEPITA (sister to POGANIN's dam POHULANKA). Not to be overshadowed by his distinguished family, POGANIN has written himself down in breeding history as the sire of European and Middle Eastern multichampion KABSZTAD.

On the other side of the pedigree we find the damline of Adjuz, descending from the Babolna-bred mare BRYŁA. The family initially flourished at Kurozwęki Stud, with their prominent broodmatrons BRAMINKA & BRANDY. The significant members of the family include BAJADERKA (Autumn Show Junior Reserve Champion from Janów Podlaski, Arabian Impressions Junior Reserve Champion from Sickendorf and double class winner from the Junior Spring Show in Białka), chief sire BROKAT (whose get include US Top Ten Mare EKSEDRA) & Belżyce Reserve Junior Champion Stallion BURIAT.

DEMETER is a mare with a stellar pedigree that at a first glance is pure racing but looking closer one can see the classic, Kuhailan beauty, lines bred for a perfect conformation, great stamina and good disposition with successful horses in both show as in performance and racing creating the perfect versatile Arabian. Demeter herself is a tall, well-built mare with great movement and great character. When bred to a race stallion like DA ADIOS she produced the filly DE LONGA who raced with great result for two seasons with 17 starts of which she was placed among the 3 first in 13 of them. And when bred to the multi-champion EQUATOR Demeter produced a tall, elegant colt with a pretty head and an abundance of attitude. DONG is considered to be the best colt by Equator born at Michalow and to prove that he was the Bialka Spring Show Junior Bronze Champion last year.

Demeter's sire WOJŚLAW was Polish National Champion Stallion and a very successful sire producing the best racehorse in Poland - DRUID as well as EMANOR Polish and US National Champion Stallion, Canadian National Reserve Champion Stallion, Scottsdale Arabian Show Champion English Pleasure, US National Top Ten English Pleasure, Canadian National Reserve Champion English Pleasure, US National Top Ten Park Horse and Canadian National Champion Park Horse. Wojslaw's daughters have been great producers like ZUZANNA, PRYMKA, ŚLONKA, GILDA, ESTELKA, PASJA and WIERZBA.

Demeter belong to the family of Ukrainka tracing down to the extraordinary mare FORTA through her Oaks-winning daughter DYSKA. The family of Dyska has gained a lot of success at the racetrack with twice Criterie-winner DUNAJEC, Derby-winners DZIEWIERZ, DEKOR and DON CARLOS and Oaks-winner DRACENA among others. Dracena is the granddam of Demeter and Demeter's dam Drabora was also a good racer, but foremost she has been a great producer of race horses like DARGIN, DIRKHEM and DRABOREX who all have raced for four and five seasons with great results. Dracena's sire is the twice Polish Race Horse of the Year BOREK, adding yet another great race icon to Demeter's pedigree.

A combination of two of Poland's leading "E" and "P" damlines of Michałów and Janów Podlaski, a maternal sister to über champions EL SAGHIRA & EMPIRE and a daughter of the great EMIRA - EMIRAMIDA represents the best of the Polish breeding program in one package.

EMIRAMIDA stems from Michałów's "E" dynasty of champions, with (so far) 10 generations of champion equines beginning with the letter E, established by the athletically gifted Oaks & Criterium St. winner ESTOKADA. EMIGRACJA, EMANACJA, EMIGRANTKA, EL DORADA, EKSTERN - these are but several of the damline's equine greats. EMIRAMIDA's dam EMIRA is one of those fames. She has won medals all over Europe (All Nations Cup, European Championships, World Championships, Ströhen, Prague, Elran Cup, Tulip Cup, Vilhelmsborg, Chantilly, Bruges) and the Middle East (Qatar International), but what speaks about her most are the titles of Polish National Junior & Senior Champion Mare, honors that are harder to claim than the Triple Crown.

EMIRA has further contributed to her family's heritage with champion produce EL SAGHIRA (Arabian Prestige International Junior Reserve Champion, UK International Junior Reserve Champion, Ströhen International Senior Bronze Champion, Polish National Senior Reserve Champion, World Senior Top Ten, Sharjah International Arabian Horse Festival Senior Silver Champion Mare and high-seller of the 2013 Pride of Poland at 500 thousand Euro) and one of the most desirable chief sires of recent breeding seasons - EMPIRE (Junior Spring Show Reserve Champion, Polish National Junior Champion, European Junior Bronze Champion, World Junior Top Ten, Wels International Junior Champion & Polish National Senior Bronze Champion Stallion).

Janów's "P-line" of PIEWICA is present in EMIRAMIDA through French National Champion, twice Italian National Champion, thrice European Champion and twice World Champion Stallion PIRUET, whose Oaks winning dam was a half-sister to the ethereal PILARKA, Polish National Reserve Champion, twice European Champion, twice World Champion & UK National Champion Mare, direct female ancestor of the huge show names of today: PIANISSIMA, PINGA, PALMETA & PILAR.

BREDA is reliable producer as the dam of ten foals and daughter of Michałów's "pride and joy" EMIGRANT. This champion sire represents the world famous "E" dynasty of champions, made up of unforgettable equine specimens as EMIGRACJA, EMIGRANTKA, EMANACJA, EL DORADA, EMANDA, EMANDDORIA, EMILDA, EMBRA, EMIRA, EMMONA, EMANOR, ELANDRA and EJRENE, to name but a mere few. EMIGRANT himself added another chapter to his glorious family with the titles of All Nations Cup Reserve Champion, European Champion & Polish National Senior Champion Stallion, to name but the more significant ones. Not only is EMIGRANT the source of the precious "E" bloodline of Michałów, but through his champion sire ARARAT he also draws from the "A" line of Janów's racing Triple Crowned/European & Polish National Champion ARRA. EMIGRANT's value is becoming even more evident now that his daughters have reached the prime of their lives and are proving themselves as significant producers. On the distaff side BREKINA is a descendant of the rare damline of Adjuze, tracing directly to the Babolna-bred broodmare BRYŁA, rescued by the Poles at the end of World War II. The family's greatest achiever is BAJADERKA, an Autumn Show Junior Reserve Champion from Janów Podlaski, Arabian Impressions Junior Reserve Champion from Sickendorf and double class winner from the Junior Spring Show in Białka. Other notable members from this only strain of Adjuze in Polish breeding include the prolific and important Kurozweki broodmatrons BRAMINKA & BRANDY (BREDA's dam), chief sire BROKAT (whose get include US Top Ten Mare EKSEDRA) & Bełzyce Reserve Junior Champion Stallion BURIAT.

HAOMI descends from the aristocratic Kurozwięki family of HARONIA. After the stud's liquidation its best broodmares were transferred under the roofs of Białka and have rendered great services for their new home stud. Not having to look far, HAOMI's dam HULALA is a maternal sister to twice US Region I (Del Mar) Champion Stallion, US Region III (Reno) Champion Stallion, US Region II (Los Angeles) Senior Reserve Champion Stallion, Pacific Slope Champion Stallion, US Region II (Santa Barbara) Champion Stallion (US), US National Senior Top Ten Stallion & Scottsdale senior class winner HUN.

Other of the family's notable descendants include All Scandinavian Reserve Champion Mare HULANKA and multiple class winners and/or Top Five honorees HEROLDIA, HERLINA, HERALDYKA, HESPERA, HERMIONA, HERCA and HULA (a former Pride of Poland Sale high-seller at 160 thousand Euro).

The paternal side of the HAOMI's pedigree lists the multi show winner SALAR: Warsaw Summer Show Junior Reserve Champion, Falborek Senior Reserve Champion, Devon County Show Senior Reserve Champion, Wessex Arabian Horse Show Senior Champion, Autumn Show Senior Bronze Champion, World Senior Top Ten, Polish National Senior Bronze Champion, Autumn Show Senior Reserve Champion & Polish National Senior Top Five Stallion. His dam is a half-sister to WAHO Trophy honoree SARMAĆJA, producer of a whole group of stake winners (including the best racing filly at the turn of the millennium, SAVVANNAH) and the dam of multi champion SEFORA. MARE BRED TO E.S. HARIR:

S/7. GRACY

The All Nations Cup Gold Champion Stallion E.S. HARIR is by AJ DINAR, a son of the Champion maker WH JUSTICE and out of the great moving Brazilian-bred Champion mare DESKA HJE, a daughter of the great LUMIAR AMADEUS and out of SOLDADESKA who carries predominately Polish and Crabbet bloodlines with horses like ALADDIN, BASK, FADJUR and RAFFLES. DESKA HJE was sold to Ajman Stud and was bred to WH Justice in the beginning of his career producing AJ Dinar.

E.S HARIR 's dam TF MAGNUMS MAGIC is a daughter of Magnum Psyche making him linebred to this leading sire and multi-champion carrying him in 2nd and 3rd generation. She is out of the mare KHARNATION who is sired by the great sire KHARBEN, a son of BEN BASK who carries Polish bloodlines through his sire BASK and his Polish-bred dam MASKA (Negatiw x Maskota). Kharben 's dam KHARA MIA MINE has a royal pedigree being a daughter of the great BAY EL BAY and out of the beautiful KHEMOSABI-daughter KHARA MIA. Kharnation 's dam PACHOULI is by PADRON and her damline has old American regal bloodlines that were built on the first Polish and Egyptian imports combined with Crabbet/Old English bloodlines tracing down to the mare FERIDA db. who was imported to Crabbet stud where she founded her own dynasty.

Bred in the Republic of South Africa, EKS ALIHANDRO has already made himself known worldwide. Although already a multi champion as a junior from many prestigious events, the year of 2016 really belonged to him, as he claimed the titles of Menton Senior Gold Champion, All Nations Cup Senior Gold Champion and the ultimate honor - World Senior Gold Champion Stallion. In fact, he remains unbeaten in the show ring since his European debut in Prague in 2012, including a back to back win in Aachen in 2012 and 2013, something few horses have managed to achieve. This statuesque equine is sired by triple World Champion Stallion MARWAN AL SHAQAB, himself a son of the already legendary GAZAL AL SHAQAB. His pedigree also benefits from influence of PADRON PSYCHE and RSD DARK VICTORY. EKS ALIHANDRO is already making headlines as a sire as well, for instance with the filly OM EL ERODITE, whose bidding at the Marquise Invitational Auction stopped at 1,55 million dollars. The money was well spent, as two month later OM EL ERODITE went on to win the Yearling Gold Medal at the Las Vegas Arabian World Cup. Look to EKS ALIHANDRO to become one of the heirs to the legacy of GAZAL & MARWAN AL SHAQAB.

EL PALACIO VO has a royal pedigree as the son of two giants in the breed - the World Champion AL LAHAB and out of one of the most winningest mares at Michalow EL DORADA. Bred by Valley Oak Arabians while on lease to USA, El Palacio VO was sold to Al Khalediah Stables in Saudi Arabia as a young colt and has been very successful in the showing as well as a Champion-producing sire.

Al Lahab is a son of LAHEEB and out of the influential mare THE VISION HG, an amazing producer of great sons including AL MARAAM, AL HADIYAH AA, AL AYAL AA, AL RAHEB AA and AL GHAZALI AA.

El Dorada is a daughter of the legendary SANADIK EL SHAKLAN, International super sire and sire of Champions. El Dorada's dam EMIGRANTKA was one of the most charismatic mares in Poland winning European and Polish National Champion Mare and she was a very strong producer leaving the sons EMIGRANT, EDEON, ERALED and EL MUNDO and the daughters EMANCYPACJA, EMARILLA, ENDORRA and EL HAZA.

The combination crossing Laheeb with the mares of the E-line was very good while Laheeb was on lease to Poland and bringing in El Palacio VO to cross with the Polish mares will not only bring back El Dorada but hopefully bring some new superstars into the Polish breeding program.

MARE BRED TO ELGAST:

S/18. EKTESA

ELGAST is a charismatic son of the international super sire WH JUSTICE and with his maternal grandsire PSYTADEL he has two lines to the legendary moving machine PADRONS PSYCHE. Psytdel is one of the most influential sires in Europe when it comes to success in the showing, and his dam BINT BEY SHAH has been an invaluable producer of champions.

To add more movement and type to Elgast's pedigree his maternal granddam EIFFLA is a daughter of EKSTERN, one of the best sources for charisma and attityde. Eiffla's dam EKLEZJA is a daughter of MONOGRAMM doubling up on this legendary sire.

Elgast's belong to the great damline of Milordka through the mare ELA and her Nabor-daughter ETOLA. Etola is the dam of the chtereal, feminine Elf-daughter ELANA who produced Polish National Champion Mare EGZOTYKA (by Probat) and European Senior Reserve Champion Stallion and World Top Ten ELART (by Palas). Egzotyka had nine offspring before she was sold to USA including EWAKUACJA twice Swedish National Champion Mare, EGNA Elran Cup Senior Champion Mare and high-selling lot at the Pride of Poland auction, ESKALOPKA European Champion Mare, Polish National Reserve Champion Mare, Ströhen International Champion Mare and EWELINA dam of Swedish National Junior Champion Mare and Best in Show MA EL EHLAA.

An incredible specimen, champion sire EMERALD J is the son of two World Champions (QR MARC & EMANDORIA) and the grandson of three World Champions (MARWAN AL SHAQAB, GAZAL AL SHAQAB & EMANDA). The influence of GAZAL and his son MARWAN on the Arabian breed today is beyond measure. They have single-handedly set a new breed standard with their chiseled heads, swan-shaped necks and show-stopping charisma. But more importantly they have the ability to bequeath these traits onto the next generation, as seen in QR MARC. EMERALD J's dam is also one that does not require any introduction: multi champion EMANDORIA, whose most prominent honors include (several) World Champion, European Champion, US National Champion, Arabian Breeders World Cup Champion, Polish National Champion, All Nations Cup Senior Champion, Abu Dhabi International Gold Champion & Dubai International Gold Champion. EMANDORIA is also a 2013 European Triple Crown winner and recipient of the WAHO Trophy in 2016 for most outstanding representative of the breed. Her dam EMANDA is just as decorated, with the titles of Junior Spring Show Reserve Champion, Bábolna International Junior Champion, Polish National Junior Reserve Champion, All Nations Cup Junior Champion, All Nations Cup Senior Reserve Champion, European Senior Reserve Champion, World Senior Champion & Polish National Senior Reserve Champion. Unsurprisingly EMANDORIA & EMANDA descend from the E family of Michałow's champions directly through the damline's most famous branch via EMANACJA (EMANDA's dam). With such heritage in his genetic make-up EMERALD J was destined to succeed both as a show horse and sire of champions.

An experienced show horse and classic Polish Arabian stallion in every sense of the word - not only does PALATINO represent the very best characteristics of the breed - large, dark eyes, length and set of neck, dry constitution and well designed limbs - his parents and grandparents have all been foaled on Polish soil and all have written themselves down in the history of our breeding. PALATINO's sire multi champion PESAL remains the "pride of Białka" as their most "winningest" horse in history. His dam PERFORACJA, Białka's pillar broodmare from the P-line of PIEWICA, is perhaps Poland's most recognizable equine through her "Mahomet's touch", a characteristic flea-bitten pattern on her shoulder, has further contributed to the breed as the granddam of All Nations Cup, European & World Silver Champion PERFINKA. PESAL is sired by European & Polish National Reserve Champion PARTNER, one of five champion chief sires out of the Tersk-bred PARMA. PALATINO's distaff line is that of PIEWICA through the invincible mother-daughter duo PILARKA-PIPI. PALATINO's dam, European Senior Champion, Polish National Junior & Senior Champion and WAHO Trophy honoree PALMETA has also produced champions PALABRA, PALATINA, PATRIA & PARIS. PALMETA is further sired by Polish National Champion & US National Top Ten ECAHO, an Arabian of such exemplary type that he was named after the organization handling shows for this breed in Europe.

MARE BRED TO PARNASSUS:
S/29. HAOMI

PARNASSUS carries within him the amazing genetic heritage of Michałów's P family of PLISZKA and the genetic potential of his sire AJMAN MONISCIONE - the son of "Champion Maker" WH Justice. PARNASSUS is out of the MONOGRAMM daughter PORUTA, bred by Michałów Stud, from their elite collection of broodmares sired by this epoch-making stallion as ZAGROBLA, FALLADA, KWESTURA, EKSCELLA, ELGANDA, ESKALOPKA, ENTENTA, PALESTYNA, EGZONERA, ELANDRA, EMBRA and PALMIRA. They have proved to be well-producing dams and so has PORUTA: apart from PARNASSUS she has foaled ExpoGrande Arabian Horse Show Junior Champion Stallion PRIMERO MARC & French National Yearling Bronze Champion, Pur Sang Arabes Prestige Junior Gold Champion Stallion PRIMERIUS EMER. PORUTA is a maternal sister to PREMIERA (Polish National Junior Champion, Dutch National Senior Champion, Elran Cup Senior Reserve Champion, Mooslargue Senior Champion & Vilhelmsborg Senior Top Five Mare), who in turn is the predecessor to PREMIER (UK International Reserve Champion, World Senior Top Ten, Mercedes Cup Champion, Scandinavian Open Senior Champion & UK International Senior Bronze Champion Stallion), PIACENZA (Polish National Junior Bronze Champion, European Junior Top Five, World Junior Top Ten, Junior Spring Show Champion & Best in Show (PL), Normandie Arabian Festival Senior Champion & Best in Show, Arabian Masters Senior Silver Champion Mare and high-seller of the 2011 Pride of Poland at 475 thousand Euro), PORENA (Czech National Junior Bronze Champion Mare) & PRIMANUS QATAR (Breeders' Championships Europe Junior Bronze Champion & Junior Spring Show Bronze Champion Stallion). Both PREMIERA & PORUTA are the daughters of PREMIA, a Polish National Senior Champion and Bábolna International Reserve Champion Mare.

POGANIN is one of the most respected sires of Janów Podlaski Stud. An experienced show horse, he is multi champion from various European events and holds the coveted title of Polish National Senior Champion Stallion. POGANIN is an exemplary combination of exotic beauty of the Straight Egyptian with classic Polish bloodlines. His conformation, dishd head and show-stopping charisma are the gifts of his sire LAHEEB, twice Israeli National Senior Champion, European Reserve Junior Champion, Israeli National Junior Champion and World Top Ten Junior Stallion. Furthermore it is through LAHEEB that POGANIN lays claim to the best NAZEER sons, ANSATA IBN HALIMA & MORAFIC. On the distaff side POGANIN traces to Janów's most iconic damline of PIEWICA, the source of now several generations of international show champions, chief sires, superb race horses and prominent broodmares. POGANIN's granddam PESTKA has established her own distinct subline of PIEWICA, having specialized in the production of chief sires. Only in recent years her daughters (and granddaughter) have contributed to the breed worldwide with as many as nine chief sires, show-oriented (POGANIN, PORTO, PERSEUSZ, PEGASUS, PRADO, US Triple Crown Winner POGROM) and performance-bound (PENTAGRAM, POLIGON & PEDAGOG). Proof that the beauty genes of this family run deep is 2016 Polish National Junior Champion Mare PRUNELLA, daughter of POGANIN's maternal sister.

MARES BRED TO POGROM:

S/8. EKSCEPCJA, S/21. BARTA

The most outstanding male equine to come out of the barns of Janów Podlaski in recent years, POGROM is an absolute sensation. In 2013 he took America by storm, becoming a US Triple Crown Winner as Scottsdale Supreme Champion, Arabian Breeders World Cup Champion & US National Champion Stallion, beating many of the most respected and acclaimed stallions from all over the globe. POGROM is the son of World Champion QR MARC, himself a son and grandson of the world's most prominent World Champions of today, MARWAN AL SHAQAB & GAZAL AL SHAQAB. In POGROM the incredible genetic strength and beauty of the Saklavi sire line has teamed up with Janów's signature damline of PIEWICA, the progenitor of generations of horses that have contributed to the Arabian breed worldwide. In fact the family has spread out so much, that some of PIEWICA's female descendants have established their own separately prominent sables. POGROM traces to PESTKA, whose daughters and granddaughter have produced as many as nine chief sires active in breeding in just recent years. This amazing group consists of show stars POGANIN, PORTO, PERSEUSZ, PEGASUS, PRADO and POGROM, as well as capable athletes used in the improvement of sport-oriented breeding: PENTAGRAM, POLIGON & PEDAGOG.

Many excellent horses trace to iconic equines in their pedigrees, but few can boast the fact of being directly sired by or out of living legends. POMIAN can boast both - he is the son of World Champion GAZAL AL SHAQAB, the very first of the now highly acclaimed GAZAL-MARWAN-KAHIL line and the outstanding broodmatron PILAR. Janów's damline of PIEWICA, from which PILAR stems from, consists of several generations of show champions, chief sires, superb athletes and incredible broodmares. But even within this group there are some names which stand out even further. These include the broodmatron extraordinaire PIPI - who remains the leading producer of champions in Poland - and her best producing daughter PILAR. Herself a Polish National Junior Champion, PILAR went on to foal a slew of show winners: PIETA, PINTA, PIZARRO, PILAROSA, PIBA, POMIAN and last but not least - Polish National Junior & Senior Gold Champion, Scottsdale Senior Reserve Champion, European Senior Gold Champion, World Senior Gold Champion, All Nations Senior Silver & World Platinum Champion Mare PINGA. PILAR can also be justly nicknamed the "million Euro mare", as on the rare opportunities that she and her daughters were offered at the Pride of Poland Sale they have all gone to become the highest-selling equines of their sales: PINTA at 500 thousand, PIETA at 300 thousand and PILAR herself at 240 thousand Euro.

QR MARC has definitely put his own lasting mark on the Arabian breed. He immediately draws attention with his beautifully shaped head with large, dark eyes, long, well shaped neck, balanced body and long legs. QR MARC's beauty is not a chance occurrence. He is extremely well bred, as the son of more than one time World Champion MARWAN AL SHAQAB and an incredible pedigree encompassing plenty of the most acclaimed sires of the 20th century, such as ANAZA EL FARID, RUMINAJA ALI, NAZEER, MORAFIC, SHAIKH AL BADI & GAZAL AL SHAQAB. The Polish State Studs had the privilege to use QR MARC via frozen semen and the results were more than astounding. He is the sire of Poland's two most promising sire of the youngest generation: POGROM (US Triple Crown Winner & Polish National Senior Silver Champion) & EQUATOR (Polish National Senior Gold Champion and an almost US Triple Crown Winner, just missing the mark at the US Nationals when he took the silver), WIEŻA MOCY (Polish National, European & World Junior Champion on the Old Continent and Arabian Breeders World Cup Senior Champion, Scottsdale Arabian National Breeders Finals Senior Champion, US National Senior Champion, Scottsdale Arabian Show Senior Champion Mare across the pond) and other champion daughters: PALATINA, PIACENZA, ZIGI ZANA & CHERONEA.

MARES BRED TO RFI FARID:

Lot. 19 FOGGORIA, S/6. EMMBLA,
 S/16. ECHO BEY KARIMA, S/26. DEMETER

Himself an International Champion RFI FARID was the sire of World Yearling Gold Champion Filly D Ajayeb, Silver Champion HDM Maria Apal and Bronze Champion Madinat Al Baydaa, an extraordinary achievement and an approval of his ability as a sire, especially considering that all three fillies were out of completely different mares. This achievement made him the Leading Sire of the Show, a title that Marwan Al Shaqab has claimed for the last decade.

RFI Farid represents the sire line of Mirage db. and has a pedigree that is a total outcross from many pedigrees today which makes him an interesting stallion and a good addition to many breeding programs. He was bred by RFI Arabians in Brazil and his sire RFI Maktub is a grandson of the great Bey Shah-son RSD Dark Victory and his damline carries a lot of old Crabbet/English bloodlines with the addition of some Polish and Egyptian.

RFI Farid's dam RFI Fayara El Shiraz is by Shiraz El Jamaal, a son of legendary Ali Jamaal making RFI Farid double Ali Jamaal. Shiraz El Jamaal is out of Satyna, a mare of Polish bloodlines by Janów Podlaski-bred Etat (Pepi x Etazerka) out of Schepiera, her sire is the great race stallion Pierrot (Czort x Pierzga) and she is out of Sheherazade (Exelsjor x Lalage), a maternal sister to US National Champion Aladdin.

RFI Farid's maternal granddam Fire Glory is a daughter of the predominately Polish sire NV Sure Fire (Aladdin x Bint Miss Fire) out of Key of Glory JP who carries Egyptian bloodlines on both her sires and maternal sires side but with a tail female line of Crabbet bloodlines

MARE BRED TO WADEE AL SHAQAB:

S/22. EMA

World Champion WADEE AL SHAQAB is the fullbrother to another World Champion who is well known in Poland after standing two years as the Chief sire at Janów Podlaski - KAHIL AL SHAQAB. Wadee is the younger brother and the combination MARWAN AL SHAQAB - OFW MISHAAL has been magical with not only these two sons but also the Champion mare SULTANAT AL SHAQAB.

Wadee Al Shaqab's dam OFW Mishaal was bred by Orrion Farms in USA and she is sired by the great MISHAAH, a son of the double BASK-stallion JK SPARTAN, and his maternal grandsire is the legendary EUKALIPTUS.

OFW Mishaal's dam OFW BALARINA is by the great RSD DARK VICTORY and out of the black BALAQUINA, bred by Lasma Arabians carrying Polish bloodlines through GWALIOR and being double BASK, although her tail female line has a mix of Egyptian and Crabbet bloodlines.

Like his brother Wadee Al Shaqab has sired Champion offspring continuing the success this family.
